PROPOSES $215,000 BOND ISSUE FOR CITY SCHOOLS

COMMITTEE OF NINETEEN IN REPORT TELLS NEEDS OF GLENDALE'S SYSTEM

Unanimous indorsement was accorded the report of the committee of nineteen on ameliorating the present crowded conditions of the Glendale grammar schools at a mass meeting held in the Intermediate school auditorium last night.

The report calls for $215,000 in improvements and as soon as the details of the committee's recommendations are presented to the district board of trustees, it is expected that a bond issue for that sum will be asked of the citizens.

In placing this bond issue before the public, it must be understood by the voters that the grammar grades are facing a crisis as more and more newcomers with children come here and make demands on school facilities which are not to be had unless this money is appropriated.

Already the overcrowded conditions of the various schools have been thoroughly aired and the committee of nineteen, representing every district in the city system, has agreed upon a program of construction to be found in an adjoining column.

Discussion Takes Place

Attorney Oliver O. Clark, chairman of the committee, was called upon by David Black, member of the board of trustees who presided over the meeting, to read the recommendations. Following this the report was discussed from all angles and while several suggestions were made as to the course of the board in carrying out the program provided, there was not a dissenting voice against the report.

Superintendent Richardson D. White, Mr. Clark and W. C. Wattles, the latter two members of the committee of nineteen, answered several questions and then Oliver Thompson made the motion that the report be adopted as the public's recommendation for a bond election to be called by the board. His motion carried unanimously and all present feel satisfied that the present crisis in the city schools will be met by the voters.

H. D. Harvey Home Destroyed By Fire

Fire this morning destroyed the home of Mr. and Mrs. H. D. Harvey at 215 West Los Feliz Road. The damage is estimated at $3000—$2000 for the house and $1000 for its contents. It is understood that $1500 insurance is carried on the property.

According to Mrs. Harvey, the fire is believed to have been caused by the gas stove while she was cooking breakfast. She was not in the kitchen at the time and before she could notify the fire department the entire structure was ignited.

The engine from Station No. 2, two blocks from the Harvey home, rushed to the scene too late to save it and by the time the engine from No. 1 arrived there was nothing but a seething mass of flames into which several streams of water were poured.

Meet First Time In Seventeen Years

Mrs. Dan Springs of Charlotte, North Carolina, and Mrs. Lillian Hegler of Manitou, Colorado, were guests this week of Mrs. G. E. Murphy of 421 North Brand boulevard.

The trio have not met for seventeen years, so happy hours were spent talking of days when they grew into young womanhood together. They recalled the long trips over rough country roads to take part in the old-fashioned spelling bee or the singing school which fostered the community spirit in those days, and laughed again at the pranks which the boys played on the dudish singing master.

Like most easterners, the Mesdames Springs and Hegler are enjoying southern California to the fullest. They say that the fruit and vegetable markets are wonderful and the flowers unsurpassed.

J. E. Collins Buys Lot; To Build Home

J. F. Chandler, of "Chandler's Little Log Cabin," on the corner of Lomita and Brand, has just sold the lot at 741 East Lomita avenue to J. E. Collins of Los Angeles. Mr. Collins plans immediately to begin the erection of a bungalow on the site, which is just west of Everet street. The lot was the property of Harry Hugo of Eagle Rock.

HERE ARE RECOMMENDATIONS ON IMPROVING CITY SCHOOLS

At the mass meeting held in the auditorium of the Intermediate school last night the following report was submitted by Oliver O. Clark, chairman of the advisory committee appointed at the mass meeting held on March 3:

Your committee recommends the calling of an election for the purpose of voting on a bond issue of $215,000, and that if this bond issue is favorably voted upon that the proceeds be used for the following purposes:

First—To acquire three or more acres on Glendale avenue between Park and Acacia and build thereon an intermediate school to contain eight classrooms, an auditorium, a sewing room, a cooking room, a manual training room, a library and administrative offices, this building to be two stories and about the type of the present Broadway school building.

Second—To acquire approximately two acres adjoining the present site of the Acacia avenue school and to add to that school a building to contain four classrooms and administrative offices.

Third—To acquire a lot, 30 by 145 feet, adjacent to the Colorado street grounds and to place on the grounds a two-room building.

Fourth—To acquire five lots adjacent to the Columbus avenue school site and to build a unit of four school rooms on the ground.

Fifth—To acquire ten lots adjacent to the present site of the Doran street school and to build there a three-room unit.

Sixth—To add a three-room unit to the Pacific avenue building.

Seventh—To build a two-room school in the Verdugo canyon.

Eighth—That the two semi-basement rooms at the Central avenue school be so modified as to make them suitable for classroom purposes.

The committee recommends that the additions made to the various grammar schools shall be separate buildings in each case, shall all be built upon approximately the same plan except where modifications are necessary to conform to the architecture of present permanent buildings, the buildings to be of fireproof or semi-fireproof type.

The committee also recommends that district lines be changed to relieve the crowded conditions at the following schools: Broadway, Cerritos, Colorado, Pacific and Central.

The cost of the improvements recommended above is estimated by the committee to be about as follows:

Plans, Superintendence,	$ 5,000
Land	52,500
Eighteen Classrooms	65,000
Impts. for Central Ave.	1,500
Equipment	12,000
Intermediate, complete	79,000
Total	$215,000

Feeling that the needs of the schools at present are pressing and that immediate action is necessary, the committee recommends that the above program be carried out as speedily as possible.

Respectfully submitted,
OLIVER O. CLARK,
Chairman.

(Special Service to Glendale Evening News)

ONE KILLED AND FOUR WOUNDED IN CHICAGO GUN WAR

CHICAGO, April 8.—One man was killed and two policemen and two residents of "little Austria," in South Chicago, were wounded in a gun fight early today.

TENTH GAME IN CHAMPION CHESS CONTEST POSTPONED

HAVANA, Cuba, April 8.—The tenth game of the international championship chess match between Dr. Emanuel Lasker and Jose Capablanca was postponed last night at the request of Capablanca, who said his eyes were troubling him. Play will be resumed tonight at Mariano.

NUMBER OF DEATHS IN CHICAGO SHOW BIG DECREASE

CHICAGO, April 8.—Grandmother's prophecy "a green winter makes a white grave yard" was disproved this year, Dr. John Robertson, city health commissioner, said today. "Deaths in Chicago last year from January to April numbered 13,473 as compared to 8964 during the same period this year," Robertson said.

KING CALLS OUT ARMY RESERVES AND VOLUNTEERS

LONDON, April 8.—King George today called the army reserves and volunteers to active service in the threatened industrial revolution. The king's action was caused by the refusal of striking coal miners to renew negotiations with mine owners and the decision of the "triple alliance" to meet today to determine plans for a general strike. Under the emergency act now in effect all military forces can be used in the distribution and guarding and production of food and the keeping of the peace. A general strike would call out 4,000,000 workers.

BUYERS ARE CAUTIOUS AT OPENING OF N. Y. MARKET

NEW YORK, April 8.—Hesitancy of traders in the New York stock market was reflected today in the irregular opening. Despite optimistic business reports made public before the opening the British industrial situation and the breaks in prices yesterday operated to make buyers cautious. United States Rubber responded to announcement of the regular dividend with a one point rise at 72. Mexican Petroleum rallied a point after opening 5-8 off at 139. Studebaker was 3-8 down at 76½. Reading was the only rail to gain, opening ⅞ up at 68. Other carriers were fractionally lower.

STATE MAY AGAIN VOTE ON DRY ENFORCEMENT LAW

SACRAMENTO, April 8.—If the assembly passes the Wright prohibition enforcement act, the people will again have to decide whether or not they want enforcement in California. By one vote, the "wets" succeeded late yesterday in taking the Wright bill out of the hands of the "drys" and amending it to submit it to the vote of the people in the next general election. T. M. Wright gave notice of reconsideration after changing his vote from "no" to "aye." The total vote before Wright changed his vote was 40 to 39. Assemblyman Franklin Heck of Bakersfield was the only assemblyman absent. Heck is believed to be a "wet."

INDUSTRIAL REVOLUTION IN ENGLAND SEEMS CERTAIN

LONDON, April 8.—An industrial revolution in Great Britain appeared certain today when executives of the "triple alliance" called for a joint meeting at 4 p. m. to decide on the time and method of a general strike to support the coal miners. The triple alliance meeting was called after the miners refused to reopen negotiations with colliery owners under an agreement that the first question settled would be that of pumping mines now threatened with flooding. The organization includes the miners, railway men and transport workers, totaling almost 4,000,000 workers. By shutting down fuel supplies and transportation they can paralyze all industry.

IMPROVEMENTS ARE SOON GAINED FOR LA CRESCENTA

MASS MEETING IS HELD BY BOOSTERS AND ACTION IS QUICKLY OBTAINED

For rapid fire action, the La Crescenta Improvement association last night showed visitors from Glendale and other Southern California points "some speed."

The population of the community has increased 50 per cent in one year and a whole score of improvements are necessary. Instead of talking about them, the La Crescenta people decided to get action and therefore called a mass meeting at the school house.

F. K. Czerniski, president of the association, told those present what was to be done, while C. E. Culberson, secretary, kept a record of the action. And there was some snappy action, too.

First, it was announced that a trailer truck with fire fighting equipment had been purchased by the association with $407 proceeds from a dance.

Twenty-five Enlist as Volunteers

Harvey Bissell reported that the county fire warden's office would send a man to La Crescenta soon to instruct the residents in the use of the fire apparatus which cost $400, and attaches to any passing motor car in case of a conflagration. Twenty-five enlisted as volunteer firemen.

It was announced that a committee had conferred with the Auto club about street signs and that 200 could be purchased at 50 cents each. Contributions were then in order for paying for the street markers and this improvement is assured.

C. C. Cooper, president of the Glendale Chamber of Commerce, was introduced and after a few remarks asked Attorney Owen C. Emery, one of the directors of the local organization to address the meeting. In flowing terms the latter predicted the growth of La Crescenta in years to come as one of the beautiful residential sections in the Southland.

Gets Additional Service

Mervin Mills of the Glendale and Montrose Railroad revealed that the company which he represents has purchased another car to give La Crescenta additional service and he stated that last year the line had carried 337,000 people.

"According to statistics," he said, "the Glendale and Montrose railroad is first in the safety first movement in the United States, having carried more passengers with fewer accidents than any other line in 1920."

Many needs of the community were discussed, Harvey Bissell relating how the school had grown from fourteen pupils nine years ago to more than one hundred now. The meeting indorsed the school bond issue to be voted upon. A resolution was adopted requesting the county board of supervisors to start proceedings for the pavement of Los Angeles avenue. Paving of Ocean View avenue and street lights for La Crescenta

Blushing Bloomers! Flowers That Bloom On Screen, Tra La!

Advertising Blossom Time in Glendale.

That might be a fitting title for the film produced at Astra studios this week.

For Jimmie Adams, star of the Mermaid comedies made here, from an enchanted garden played the part of Monsieur Legerdermain in bringing forth the following "blossoms:"

J. G. Jarrett, advertising director of Collier's Weekly, as Boutoniere Rose.

S. R. Latshaw, advertising director of Butterick Publishing Company, as Big Butter Cup.

James A. Townsend, Pacific coast advertising representative of Butterick's, as Sweet Little Butter Cup.

And E. M. Swazey, advertising director of the Los Angeles Examiner, as California Poppy.

It all happened when these publishers' representatives visited the studio as guests of Manager A. T. Dobson, a former newspaper man. Chuck Reisner directed the production which is a little less than a reel.

Today positive prints are being forwarded each of the four advertising men in order that they may display their histronic ability to friends as part of an evening's entertainment.

They visited the Glendale studio at the request of T. P. McKenna, New York representative of Astra.

MISS RUTH WILSON TO LEAVE SOON FOR NEW YORK TO WED L. A. LEWIS

MISS RUTH WILSON

Daughter of Mrs. Bertha Wilson, 118 North Louise street, who leaves for New York City next Monday to become the bride of Louis Alexander Lewis, former resident of Glendale. Miss Wilson will be accompanied east by Mrs. Meyer Lewis, sister-in-law of the bridegroom-elect.

Miss Ruth Wilson, daughter of Mrs. Bertha Wilson of 118 North Louise street, will leave Glendale Monday, April 11, en route to New York City, where she will be married to Louis Alexander Lewis, junior member of the A. F. Lewis Printing Trades Blue Book company. Mr. Lewis, it will be remembered, was at one time connected with the Ford agency in Glendale.

Miss Wilson will be accompanied east by Mrs. Meyer Lewis, sister-in-law of Louis A. Lewis. They will stop en route at San Francisco, Ogden, Denver and Chicago. The wedding ceremony will be performed in New York City, either April 19 or 20, after which a honeymoon trip will be taken to Atlantic City, and after a few days there they will go to Philadelphia, Baltimore and Washington, D. C. They will then go back to New York City and from there to Chicago. Mr. Lewis' business takes him both to New York City and Chicago, from which points he makes trips both north and south and also one trip a year to California. Miss Wilson and her husband-to-be expect to see their friends in Glendale again next year when he makes this trip.

Miss Wilson is a graduate of Glendale Union High school and has been active in both church and Sunday school work. She has been a member of St. Mark's choir for a number of years. She is dearly loved by her many friends in this city, who have been deluging her with many and varied showers in her honor and to assist her in the preparation for her new home. Until recently Miss Wilson was employed by the Jewel Electric company.

Miss Wilson entertained informally yesterday at a social afternoon a number of her very close friends, including Miss Dorothy Hunt and mother, Mrs. D. W. Hunt, Mrs. Edward Rohr and little daughter Frae, Mrs. Charles Morse and Mrs. A. F. Robbins. She was assisted by her mother, Mrs. Bertha Wilson.

CITY WATER SUPPLY ABOVE STANDARD, SO TESTS SHOW

PURITY IS CERTAIN, ASSERTS T. W. WATSON; STATEMENT TO BE GIVEN PUBLIC

Claiming that some of the residents of Glendale seem to be under the impression that the municipality's water supply is not pure and, consequently, is unfit for human consumption, T. W. Watson, city manager, filed a communication with the Board of City Trustees last night in which he asked for authorization to prepare, with the assistance of Dr. J. E. Eckles, city health officer, and Dr. Carl Wilson, bacterial expert, "a comprehensive report setting forth in detail these matters and to distribute such statements to the water consumers of the city of Glendale."

On motion of Trustee Robinson, the city manager was given the authorization. Trustee Lapham and President Stephenson endorsed the plan. The city manager declared, in making a verbal statement regarding his written report, that complaints regarding the city's water are due to the fact that "pipe moss" is in the mains. He said, however, that the mains are being flushed and, he predicted, the trouble would soon be ended.

The water supply, by sterilization, is brought to a high degree of purity, the city manager said, and its purity is far beyond that required either by the United States government or the State Board of Health.

The communication from the city manager follows in full:

"It has been called to our attention that parties soliciting for the sale or rental of water percolators are at least inadvertently creating an impression in the minds of some of the

BUSINESS BLOCK TO COST $20,000 TO BE CONSTRUCTED

H. D. CHARLTON, WITH BENTLEY SCHOENEMAN COMPANY, HAS BLUEPRINTS COMPLETED

H. D. Charlton, architect associated with the Bentley-Schoeneman Lumber Company, 460 West Los Feliz road, has completed the plans for the two-story business block to be erected on the southwest corner of Brand boulevard and California street.

While the blueprints show a building extending the full 150 depth of the 53-foot frontage, only 83½ feet will be built at present.

The cost of the structure is estimated at $20,000 by the architect.

Mr. Kranz intends to have a drug store located on the corner.

Two Large Lots Are Sold To New Arrival

Two large, desirable lots, one on the corner of Brand and Chestnut and the other on Brand and Maple, were sold yesterday by Borthick Brothers to Walter Syocwhiernoze of this city. Mr. Syocwhiernoze came to Glendale from the east about six months ago.

Mrs. Agnes Dockery In New Bungalette

Mrs. Agnes Dockery, until recently of Los Angeles but now a resident of Glendale, moved into her new bungalette in MacGregor's North Glendale subdivision yesterday. Mrs. Dockery is "strong" for Glendale, particularly that portion up near the foot of the mountains, she says.

GLENDALE ASKS FOR AGREEMENT UPON CANYON WATER

BOARD OF TRUSTEES TO SEEK EQUITABLE DIVISION OF SUPPLY IN VERDUGO

Agreement between the city of Glendale and other owners of water in Verdugo canyon will, it is proposed, be reached so that an equitable division of the supply, based on average flow for a term of years, may be made.

This decision was reached by the Board of City Trustees in session last night, following the submission of a communication from T. W. Watson, city manager, together with his suggestions.

The trustees, on motion of Trustee Bartlett, authorized the city manager, acting in conjunction with Hartley Shaw, city attorney, to enter into negotiations with the several parties having water rights in the canyon to the end that a mutual understanding may be reached.

Further authorization was given that H. B. Lynch, consulting engineer, be instructed to prepare plans and specifications for pipe lines, settling basins and other works necessary to convey the city's supply of gravity water from the main intake to the Verdugo road reservoir. Also, apparatus for automatically measuring the flow of water entering the reservoir will be installed.

The city manager, in answer to questions by the trustees, explained that the cost would come out of the $260,000 bond issue voted for the improvement of the water system.

Communication in Full

The city manager's communication follows in full:

"Before the water development works in Verdugo canyon as set forth in the circulars issued by your board on September 4, 1919, can be completed it will be necessary, first, that an understanding be had between the city and other owners of Verdugo canyon water as to an equitable division of the surface waters based on the average flow for a term of years,

Fine Program Given In Behalf Of K. C.

The regular meeting of the Knights of Columbus was held last night in their hall. The largest attendance in years came out to greet the new chaplain, Rev. Father Leguyager of Burbank.

Songs were rendered by Mr. Albright and Father Leguyager gave a very interesting and entertaining talk. Grand Knight Henry and Past Grand Knight Doll were elected delegates to the state convention at Long Beach in May, with Deputy Grand Knight Wright and the Chancellor Boutier as alternates.

Sidney R. Anderson Buys New Residence

The sixth house to be contracted for on its new tract in North Glendale was reported yesterday by the MacGregor Realty company in a deal with Sidney R. Anderson of Hollywood. Mr. Anderson is a well-known Los Angeles newspaper man and has resided in Hollywood for several years.

Mr. Anderson's new place is on Chester street, the other boundaries of the subdivision being Milford, Concord and Doran streets. The tract has been opened about a month.

Former Residents Of Mendota Have Reunion

Several former residents of Mendota, Ill., who are either living in California now or are out here for the winter, had lunch together at a tea room in Los Angeles, followed by attending an entertainment in the afternoon. The party included Dr. Kate C. Moody, Highland Park, Miss Josephine Jordan, Chino; Mrs. David Black, North Glendale; Mrs. G. Fritz and Mrs. Harry Conhey, Mendota, Illinois.

Dr. Ralph W. Lusby Is Father Of Boy

Dr. Ralph W. Lusby, former Glendale resident and now practicing in San Fernando, is the proud father of a baby boy, who was born at the Glendale Sanitarium on March 16. Mrs. Lusby and the infant have returned to their home in the mission city and both are feeling fine. The tot has been named William.

The first schoolroom birthday party at the South Pacific avenue school was celebrated yesterday when Cal Chrisman celebrated his 8th birthday anniversary by giving the first and second grades a treat of cake and a good time as his greeting to them.

Mr. and Mrs. D. McCaskill of Chicago, who have been wintering in California were the guests yesterday of their cousin, Mrs. J. C. Danford, 308 East Harvard street. They were also the overnight guests Wednesday of Mr. and Mrs. Clarence Jones of 640 West Broadway.

Captain V. S. Maneieff who has been visiting at the home of Miss Nettie Williams for the past month, was suddenly stricken ill and was taken to the Burbank hospital, where he was operated on Wednesday night. He was reported as resting comfortably yesterday.

Chapter A. H., P. E. O., held its regular meeting Tuesday at the home of Mrs. Andy Stephenson, 1241 South Central avenue. The luncheon was followed by a program of current events by Mrs. Mildred Kimball. The business meeting, which followed the program, was in charge of Mrs. Lucille Eames, vice-president. At this time plans were discussed for the convention which will be held in Burbank April 13-14-15.

An all day picnic was enjoyed by the fourteen members of the second years' nursing class of the sanitarium Tuesday in the Arroyo Seco canyon. Other members of the class who have been at the White Memorial Hospital in Los Angeles also joined in the fun. A fine dinner was served and games had been arranged for the further pleasure of the young people by those in charge.

Mrs. Harold M. Salisbury, temporarily of Alhambra, spent the day with her mother, Mrs. Viola Wright, of 616 North Orange street yesterday. Mrs. Salisbury was formerly a kindergarten teacher at the Broadway school, but resigned this year on account of a nervous breakdown. Her health is improving and she expects to return to Glendale in the near future. Mr. Salisbury is office manager of the Ford agency at Alhambra.

All of the Y. M. C. A. groups in Glendale, as a part of their doing something for someone else, are raising money for the Chinese famine fund. The Hi-Y group, under the leadership of G. Edwin Murphy, are going to raise their money by serving a regular monthly supper to the Y. M. C. A. leaders Monday night. Each leader is to bring as his guest one member of his group. This is to be given at the home of Mr. Murphy, 421 North Brand boulevard.

Mrs. Mabel Franklin Ocker and Mrs. John Robert White entertained with a luncheon at the home of the former, 246 North Central avenue, Wednesday, the members of the executive board of the Tuesday Afternoon club. The invited guests were Mrs. C. E. Hutchinson, Mrs. C. H. Temple, Mrs. W. N. Stamps, Mrs. Mabel Rudy, Mrs. A. M. Hunt, Mrs. C. E. Morton, Mrs. E. W. Kinney, and the hostesses.

JAMES W. HORNE TO MARKET ONE REEL NOVELTY FILM

ILLUSTRATED AMERICAN HUMOR TITLE OF SHORT FEATURE TO GO UPON SCREEN

James W. Horne, motion picture director of 1445 Valley View road, leaves for New York City this week end to close a contract with a film distributing agency for his one-reel novelty feature known as Illustrated American Humor. He now has a company busy at the Astra studio here producing the first of these pictures, a preview of the initial reel having been shown at the Glendale theatre about ten days ago.

Mr. Horne has been associated with Universal and the old Kalem company as a director whose success has been resognized and no doubt his latest venture will be as successful as the Literary Digest reel and other "fillers" for the heavy feature programs which are now in vogue in the larger theaters.

Dr. Kaemmerling Is Given Surprise Party

Dr. Gerhard Kaemmerling of 340 North Orange street was delightfully surprised last night by a number of his fellow doctors of Glendale, who decided to assist him in celebrating his birthday anniversary.

A fictitious call was received by the doctor from East Acacia avenue, and while he was trying in vain to locate the address the following guests arrived at his home: Dr. H. V. Brown, Dr. H. R. Boyer, Dr. A. M. Bobbit, Dr. A. L. Bryant, Dr. Fay Stone, Dr. H. G. Westphal, Dr. H. R. Harrower, Dr. H. C Smith and Dr. Kaemmerling, who arrived in a short time after failing to locate the supposed patient.

Mrs. A. L. Bryant assisted Mrs. Kaemmerling in the early part of the evening, after which a six-course, elegantly-appointed dinner was enjoyed, during which the hostess and her assistant vanished. Decorations of tulips and lilies were used. Mrs. Kaemmerling favored the guests with several vocal solos later in the evening.

RUSSELL NEWTON HURT

Russell Newton, son of J. A. Newton, goes to the Doran street school. Yesterday a playfellow dropped a rock from the top of the slide. It hit Russell on the head and the youngster was taken to Dr. T. C. Young's office to have the gash dressed. However, he is in school again today.

UNIVERSAL CITY OPEN

Many Glendale people are planning to go to Universal City this evening to take part in a big scene for "Foolish Wives," the picture which Von Stroheim is now producing. The Monte Carlo set will be used and everyone who wants to witness the event is invited.

Men's Bible Class Will Give Concert

The concert to be given tomorrow night at the First Methodist church, under the auspices of the Men's Bible class, by the twenty-five members of the Glee club of the California Institute of Technology at Pasadena promises to be one of the musical events of the season. This club bears an enviable reputation as consisting of musical artists. The concert will consist of both instrumental and vocal numbers. Hugh Freeman and Lawrence Chandler of this city are members.

J. A. NEWTON AT MEETING

J. A. Newton, of the Newton Electric company, attended the weekly meeting of the Southern Electrical Contractors' & Dealers' association at Pasadena last night. E. J. Butts, past president of the organization, who had been in Sacramento advocating the passage of a bill fostered by the Industrial Accident commission to minimize casualties in the electrical lines, reported that when the senate committee heard that a commission was sponsoring the measure it was immediately rejected as the extending of any commission's duty seems to be in disfavor under the economy program.

Newspaper Big Feature

Many other matters were discussed and A. T. Cowan, publisher of the Glendale Evening News and Secretary James M. Rhoades of the Chamber of Commerce made brief talks. Other Glendale people present were F. A. Marek, city forester, C. R. Hemmiller and L. T. Rowley.

Harry N. Fowler, a successful Chicago business man, who has located in La Crescenta, was given a vote of thanks for the publication of "The La Crescenta Herald-Journal-News-Times, a four-page booster paper which was distributed at the meeting.

Needless to say, the paper created quite a sensation. In explaining its purpose, Editor Fowler said that the idea came to him last Monday that the community needed at least one paper to boost community stock and with the assistance of Mary McGrath, he grabbed off all of the news to be found, hurried to the job printing department of The Glendale Evening News office and there the paper was produced.

The initial issue was well filled with peppy personals and snappy editorials and today it is the talk of the thriving foothill community adjoining Glendale on the north.

Mrs. J. W. Cotton Is Club Hostess

Mrs. J. W. Cotton of 1137 San Rafael was hostess yesterday afternoon to members of the Madrigal club and friends. Those present included Mrs. A. C. Hunter and daughter, Mrs. Price of Omaha, Mrs. Walters and daughter Mrs. Wenstrand of Milwaukee, Mrs. J. A. Konetzka and daughter, Mrs. Charles A. Parker, Mrs. J. A. Wright, Mrs. John Ray, Mrs. G. D. Roach, Mrs. C. R. Chappell, Mrs. S. I. Tuttle, Mrs. Cole, Mrs. H. V. Henry, Mrs. John Baum, Mrs. R. A. Puffer, Mrs. L. E. Richardson, Mrs. A. M. Draper and Mrs. R. D. Jones.

A musical afternoon was enjoyed in the garden, those taking part standing under the pergola. The program included several trios by Mrs. Parker, Mrs. Cole and Mrs. Draper, as well as solos by these ladies and by Mrs. Price. Mrs. Jones gave several delightful readings. The Madrigal chorus also gave several numbers. Refreshments were served at the close of a very delightful afternoon.

Girl Burns Hands Saving Baby Sister

ALBANY, Ore.—Nora Humphreys, a high school girl, saved the life of her 2-year-old sister, Agnes, when, with her bare hands, she tore off the flaming clothes which enveloped the child. The little girl's clothing had caught fire from the kitchen stove. She was not seriously burned.

PROBE DEATH OF BOY

LOS ANGELES, April 8.—Belief that 9-year-old Hiram Vaughn's death was due to a blow on the head, dealt during a fight in a schoolyard, prompted Town Marshall Lucas of Watts to question Henry Laws, 11, today.

STEAMER'S CREW MUTINOUS

SAN FRANCISCO, April 8.—Under convoy of a United States destroyer the Williams line steamer Willhile is en route up the Mexican coast to San Pedro today, her crew mutinous, according to a brief radio message received by her agents here today.

GLENDALE ASKS FOR AGREEMENT UPON CANYON WATER

BOARD OF TRUSTEES TO SEEK EQUITABLE DIVISION OF SUPPLY IN VERDUGO

(Continued from Page One)

and as to participation by the several interests in the cost of the development works proposed, and a division of the water developed thereby in accordance therewith. Second means of financing the city's portion of the cost of such works. This will approximate $100,000. It is essential that these works be installed at the earliest time possible, first, for the purpose of intercepting the waters before they reach the surface so as to maintain their natural purity. Second, the development of additional water by such works. Third, to provide water for the foothill district within the city limits of Glendale at the entrance of Verdugo canyon and on either side thereof. This includes a large area between the 640 and the 900-foot contours that cannot be served from the reservoir being constructed at the 720-foot elevation. This area may be served, however, by means of the proposed development works in Verdugo canyon.

Understanding Necessary

"Before the matter of financing the cost of these works is taken up, which will no doubt have to be by general bond issue, it is essential that an understanding be reached in regard to the division of the surface and underground flow of the Verdugo canyon and as to whom shall pay the cost of such works and participate in the increased water supply developed thereby.

"To that end we would respectfully request authorization to enter into negotiations with the several parties in interest to the end that a mutual understanding on an equitable and practical basis be arrived at and a report of the same submitted at an early date to your board for consideration.

"We would further request that City Attorney Hartley Shaw be authorized to assist on behalf of the city in these negotiations.

"We would also respectfully recommend that Consulting Engineer H. B. Lynch be instructed to prepare plans and specifications for pipe lines, settling basins and other works necessary to convey the city's supply of gravity water from the main intake to the Verdugo road reservoir, and that there be installed in connection therewith apparatus that will automatically measure the flow of water entering the reservoir and also that buildings and other apparatus necessary in connection with the sterilization of this water be included in such plans and specifications."

LEGION MEETS TONIGHT

Glendale Post No. 127, American Legion, meets tonight at the club rooms on East Broadway. A program has been arranged for and considerable interest is expected to be shown in the plans for the coming minstrel show which were worked out by a committee last Tuesday evening. Commander E. O. Kiefer urges that all members attend.

TOM MIX AND BALL TEAM TO BATTLE ELKS' SQUAD

COWBOY FILM STAR TO APPEAR IN UNIFORM AT GAME ON S. GLENDALE GROUNDS

Glendale baseball fans will be given a real treat on next Sunday afternoon when the local Elks team will oppose an aggregation known as the "Tom Mix Wildcats" in a game at the South Glendale avenue grounds, at Glendale and Cerritos.

Tim Mix himself, the famous cowboy film star and athlete, will cavort in center field, it being his first appearance in a baseball uniform in several years. The team will be composed solely of employes of the Mix studios at Ivanhoe, including the director, camera men, actors and others.

E. H. Clark, who is manager of the movie team, is an old baseball fan and has a thorough understanding of the game, thereby insuring strong competition for the Glendale boys. Clark says that his team is in the field to win and that the fans can expect to witness a real contest and not an exhibition.

Picture People to Attend

Numerous motion picture people will attend the game, all being anxious to see their co-workers on the athletic field. Jacques Ganard, the well known feature director of Universal fame and also former director of Tom Mix, will be on hand to root for his former protege.

The Wildcats' lineup is as follows: Clark, utility and manager; Southerland, catcher; Grant, pitcher; Mix, center field; Allison, third base; Cline, second base; Pollett, first base; Robinson, shortstop; Eastland, left field, and Marshall, right field. The game will be called promptly at 2:30 o'clock.

Miss Ruth Palmer Is Guest Of Honor

A very pretty shower was given last night at the home of Miss Ruth Palmer, 1008 East Colorado street, when she entertained the Queen Esther class of the First Baptist church in honor of Miss Alta Lovell, who is soon to be married to Harlow Harrison. The evening was spent in music and games. The prize for the best set of rules on managing a husband was won by Alta Lovell. Decorations were of pink roses and fern fronds.

At a daintily-appointed table a two-course luncheon was served. On each place card was a tiny kewpie. Streamers of pink ribbon extended from the electric dome to the favors, which were baskets of candy hearts. The cake served revealed the future of five of the young ladies present. The ring was drawn by Cymbel Taylor, meaning that she will be the next one married. Miss Faith Tarling drew the thimble, symbolical of the old maid. Miss Delia Young obtained the button, and was told that she must get the bachelor to go with this. The wish bone was drawn by Hazel Myers and the heart by Ruth Palmer.

The bride-to-be was the recipient of many lovely and useful gifts. Those present included: Miss Alta Lovell, Miss Ruth Sanford, Miss Marion Grigg, Miss Hazel Myers, Miss Faith Tarling, Miss Cymbel Taylor, Miss Delia Young, Miss Hazel Walter, Miss Irene Wright, Miss Alice Wright, Miss Miriam Rich, Miss Cora Powell, Mrs. Thomas Bloomingdale, Mrs. Thomas Miller and Mrs. O. S. Palmer, who assisted the hostess, Miss Ruth Palmer.

All Day Meeting By Mission Society

The regular monthly all-day meeting was held yesterday by the ladies of the First Methodist church in the social hall. The Ladies' Aid society met in the morning at 10 o'clock, at which time Mrs. Mark Russell presided. After the noon luncheon the Home Missionary society held their meeting, which was presided over by Mrs. Geiger. The program of the Home Missionary society meeting was in charge of Mrs. F. B. Warner, and was along educational lines.

A short business meeting of the Foreign Missionary society, presided over by Mrs. T. A. Wright, followed. The ladies of this society had cause to rejoice over the thank-offering of $700, which was taken by Dr. Crist one Sunday in March. At the next meeting, which will be the first Thursday in May, the Foreign Missionary society will have charge of the program.

Baby Boy Comes To Hal Curtis Home

The many friends of Mr. and Mrs. Hal Curtis are congratulating them today at their home, 428 South Verdugo Road, on the arrival of a fine big baby boy who came last night at 6 o'clock. The mother and son are getting along fine, and "it is thought that the father will recover from the shock in a few days by careful nursing," say some of his close friends.

LOCAL STUDIO NOW ENDING TWELFTH COMEDY FILM

MERMAID PICTURE IS BEING COMPLETED; POLICY IS TO EMPLOY GLENDALE FOLK

L. J. Gasnier's Astra studio under the management of A. T. Dobson, is completing the twelfth Mermaid comedy in its contract with the Educational Films Corporation, C. F. (Chuck) Reisner directing Jimmie Adams as star of the picture. He is supported by Lillian Biron, "Big" Tom Kennedy, former coast heavyweight champion, Cliff Bowes, aquatic star, and Mary Carlisle, who is making her debut on the screen after playing for some time on the legtitimate stage.

Mr. Dobson announces that he has just secured a contract with the Educational Films for another series of eight Mermaid comedies to be delivered between June 1, 1921, and June 1, 1922. Jimmie Adams will star all of these pictures. Already several of the past year's productions have been shown in local theatres.

Mr. Gasnier at present is devoting his time to directing super-features for Robertson-Cole, Mr. Dobson states. J. B. Melton of Venice has been added to the staff here in the capacity of publicity director and he has taken quarters in the Glendale apartments until he can locate in a home.

Employes Glendale People

It is Mr. Dobson's policy to have the Astra studio employ Glendale people or bring the employes here to reside and also to buy all of the material possible here as he is a great believer in home industry.

The James W. Horne company producing Illustrated American Humor is doing its work at the Astra plant and many western companies are making use of its facilities for the filming of nearby scenes as well as using the excellent sets and properties accorded them by Mr. Gasnier's enterprise.

GARBAGE QUESTION IS DISCUSSED BY CITY TRUSTEES

BIDS WILL BE ASKED FOR TWO TON TRUCK; FURTHER ACTION DUE NEXT MEETING

Disposal of the city's garbage was discussed at the meeting of the Board of City Trustees in session last night, with the result that, upon the suggestion of T. W. Watson, city manager, bids will be asked for one two-ton truck with or without special equipment for the handling of waste.

The discussion came with the reading of the following communication from the city manager:

"In regard to proposals to gather and dispose of garbage and table waste received by your board Thursday evening, March 31, and referred to us for investigation and report, I respectfully recommend that these proposals be rejected. I believe the best interest of the city will be served by the gathering of all garbage, table waste and waste matter direct by the city and the disposal of the same to the best advantage.

"I have been conferring with parties who have under consideration the purchase of the garbage delivered at a location that is quite convenient. I will have definite proposition to submit to your board one week from today.

Two-Ton Truck Wanted

"In order that the city may be in position to take care of the gathering of garbage and waste matter, I would respectfully recommend that the city clerk be instructed to advertise for proposals to furnish the city of Glendale one two-ton truck with or without special equipment for handling the gathering of garbage. Bids to be received April 14. 1921."

Trustee Robinson favored the asking of bids, as did Trustee Lapham and Dwight W. Stephenson, president of the board. As a result, Robinson's motion prevailed unanimously.

The city's present contract for the handling of garbage still has about a year to run, it was explained, but the contractor has asked for a new contract on the ground that the city has grown so fast recently that he is unable to handle the waste efficiently.

The city has secured bids on a new contract, but has taken no action as yet. Bids will be received at the next meeting for the truck and then, it is expected, the matter will be finally decided.

Mrs. A. E. Buchanan Is Taken By Death

Mrs. Anna Elizabeth Buchanan, aged 74 years, passed away last evening at the home of her daughter, Mrs. Herman Paine, 339 North Maryland avenue. Funeral services will be held tomorrow afternoon at 2 o'clock from the Little Church of the Flowers. Interment at Forest Lawn cemetery. L. G. Scovern Undertaking company in charge.

Willis C. Thomas Says Glendale Leads

Willis C. Thomas, of 641 North Orange street and who is Glendale district circulation manager for one of the Los Angeles afternoon newspapers, reports that statistics from the various municipalities around Los Angeles indicate that Glendale is showing far more growth than any town in the county.

Operate On Thief, Then Parole Him

CHICAGO—Fred Waterstradt, recently brought to Chicago from the Stillwater, Minn., penitentiary, where he underwent a cranial operation designed to cure his thieving proclivities, was paroled by the criminal court here. Waterstadt was under indictment on a charge of burglary, which had been pending since 1918.

F. A. MAREK CHOSEN TO ATTEND LARGE PARK SESSION

AUTHORIZED BY TRUSTEES TO REPRESENT CITY AT LONG BEACH MEETING

F. A. Marek, city forester of Glendale, will attend a meeting in Long Beach on April 12 at which public camp grounds will be discussed.

Public camp grounds for motorists in Southern California are causing an unusual amount of stir these days throughout the southern counties. A big meeting is scheduled for April 12, at Bixby park, in Long Beach, for the purpose of deciding how motorists using public camping grounds shall be governed.

The Board of City Trustees of Glendale received a communication from the Automobile Club of Southern California urging that a representative of the city attend the Long Beach gathering. Last Thursday night, on motion of Trustee Lapham, the city forester, F. A. Marek, who attended a park meeting in Pasadena recently and made a detailed report on it to the trustees, was chosen to be present at the Long Beach meeting.

Richardson D. White, superintendent of the Glendale city schools, will also attend the conference. He was present at the Pasadena meeting and is making a thorough study of the situation.

Invitations Are Issued

The invitation was also issued by the automobile club to other cities in the southern part of the state.

Important recommendations for the uniform control of all camp grounds will be considered at the Long Beach meeting. These recommendations were drawn up at a meeting of the automobile club on March 23.

Representatives of more than 100 Southern California cities and delegates from the various chambers of commerce, together with representatives of the automobile club, will be present at the meeting next week.

Questions of sanitary control, time limit for a single period of occupation of a camp ground and the amount to be charged for its occupation will be among the questions to be considered.

Records to Be Kept

The manner of means of protection for camp ground occupants will be provided if the recommendations are accepted as they now stand. For instance, if any undesirables are found, the same with their car number and names of the party will be immediately transmitted to the Automobile Club of Southern California and their records filed so that if they apply for admission to another camp ground in the southern part of the state, they will be refused admission, as their number will be immediately available.

It is suggested that a maximum of two weeks be allowed for any single visit and the number of visits will be subject to local control. Sanitary control will comply with the state law following that of the state board of health.

Men Faithful To Old Fashioned Kind

CHICAGO—In musical comedies and magazine advertisements you find your fancy-striped pajamas, but in real life men are clinging to the old fashion night shirt.

At least that's the opinion of P. H. Layland, Chicago haberdasher.

"Not only the jazzy old boys, but gay young friskers are keen for the comforts of the roomy night shirt that covers up your feet," said Layland. "Snappy, up-to-the-minute styles in public, but comfort in the bed room—that is the policy."

James A. Patton, wheat king, was quoted the other day as saying: "Damn pajamas!" His traveling bag had been stolen. It contained a night shirt. A friend offered pajamas.

Mrs. R. A. Jones Is Hostess At Dinner

Mrs. R. A. Jones, of Hollywood, was hostess to a mid-day dinner party last Sunday at the historic old La Ramada restaurant in Casa Verdugo. Among those present was Mrs. Gertrude Atherton, the eminent authoress, writer of "The Conqueror" and other well-known books.

After the dinner the ladies motored over to San Gabriel, where they attended the world-famous "Mission Play" as guests of Mrs. Jones.

Verdugo Road Trees Get Needed Trimming

The scrub oak trees growing along Verdugo Road in the canyon are getting a much-needed trimming, the city forestry department having a crew busy cleaning the brush which has been obstructing the view of the thousands of motorists who daily travel the thoroughfare between this city and La Crescenta, Tujunga, La Canada and other foothill centers.

HUMAN DERELICT IS HEREDITY VICTIM, SAYS EXPERT

PROPER SELECTION OF MATES SOLUTION FOR RACE ILLS, ASSERTS DR. MORGAN

BERKELEY—A too careless selection of mates has brought upon the world a needless number of mental and physical "misfits," in the opinion of Dr. Thomas Hunt Morgan of Columbia university, recognized as a world-famous expert on heredity and evolution.

Lecturing at Wheeler auditorium, Dr. Morgan challenged the statements of scientists and others who scout the theory of heredity. That it has been proven that physical and mental defects are handed down from generation to generation, was the statement of the visiting savant, who is regarded as the leading investigator in his line of thought of the present decade.

That a "proper" selection of mates affords the only solution for the ills of the human race was declared by Dr. Morgan. Environment he said, can overcome defects only in a minor degree.

Proof Is Cited by Expert

How a peculiar physical defect of a finger shorter than normal was inherited for seven generations in one family was cited by Dr. Morgan as proof of his theories.

"We inherit all of our ancestors," declared Dr. Morgan. "One can't always tell from a parent what a child will be. It takes generations to carry down faults or virtues. Environment can offer no substantial change in a person's life if the 'general stock' back of that individual is not good."

While dealing principally with physical defects, Dr. Morgan intimated that mental abnormalities were inherited in a similar manner.

The theory of heredity of faults or virtues is no longer merely a theory, declared the lecturer. It is a proven fact, he said. In choosing their mates individuals must see the certain defects of their own, as for instance, color blindness, are not echoed in the persons they have chosen for their life companions.

Defects Dangerous, He Says

With defects of a similar nature existing in each parent, the offspring has no chance of escaping the faults of his parents, he declared. With one "positive" and one "negative" parent the forces of nature are placed at work to overcome these shortcomings in the opinion of Dr. Morgan.

That in experiments in plant and animal breeding, four generations were necessary to be born before certain minor defects were overcome, was the statement of the lecturer. Environment can not only lend aid to an individual in overcoming physical or mental faults, said the speaker. As an all-important factor in meeting these conditions, he declared it took second place to mating. Only in the proper selection of mates by potential parents can the future of their offspring be determined, said Dr. Morgan.

Diplomatic Fight Is Before U. S., Belief

By A. L. BRADFORD
United Press Staff Correspondent

WASHINGTON—President Harding, having definitely turned his back on the treaty of Versailles and the league of nations covenant, Secretary of State Hughes faces what will probably be the stiffest diplomatic fight in this country's history.

In the three biggest questions now in controversy between the allies and the United States, there is expected to be an almost immediate stiffening of the opposition to American claims. These questions are:

1—Japan's exclusive mandate over the island of Yap, important cable point in the Pacific.

2—The San Remo agreement between Great Britain and France for division of the oil supply of Mesopotamia, which it is held violated the mandate principle of equal opportunity.

3—An equitable division of the former German cables, on which the conference of the five great powers, meeting here, has not yet been able to agree.

Blind Man Facing Charge Of Burglary

COLD SPRINGS HARBOR, N. Y.—A footprint in the home of William T. Lockwood, which was robbed recently, led to the arrest of George Hawxhurst, believed to be the first blind burglar in eastern police history. Hawxhurst has been blind from birth and invariably is led through the streets by a small boy.

He confessed, the police say, that he also had robbed the home of Matthew Curley, in both instances relying upon his senses of touch and hearing. His loot comprised a few bottles of grape juice and an alarm clock. A deputy sheriff obtained the footprint, and sought a shoemaker, who informed him that only Hawxhurst could have left the imprint. He visited the man, asking him to walk in the dust. The footprints were alike, and upon being questioned, the blind man confessed the burglaries.

Short Hair Stops Hurricane, Is Belief

NEW YORK—The liner Bergensfjord wants a Mexican hairless pup for mascot. The crew's faith in an old superstition was revived when it stopped a hurricane with an unanimous hair cut.

In an effort to reform hardened drunkards the police of McKee's Rocks, Pennsylvania, have imported six Mexican pine and bull-head snakes. These reptiles are six feet in length and dangerous looking, but actually harmless. When a 'drunk" is brought in he is given a berth with the snakes. Thus scared, he earns his release by promising to reform.

PAINT
FOR THE NEW HOME

The selection of paint for the new home is an all-important matter since the paint has so much to do with the appearance of the house.

You will want a wide range of colors to choose from, and for the exterior you will want the kind of paint that best withstands the action of the sunlight and the rain.

This is the paint store and we carry paint for every purpose. We will advise you, if you wish, when you are selecting your paint and tell you how to use it.

Indian Guide Gets Barrage Of Letters

MONTREAL, Que.—Fred Beauvais, co-defendant in the divorce suit of James A. Stillman, has involuntarily assumed the role of a sort of matinee idol-movie hero in the eyes of scores of young American girls, it was learned today.

The French-Canadian guide is a helpless target for a barrage of letters from these imaginative flappers, most of whom "sympathize with" or "pray for" him. He is not replying to any of them and says they annoy him.

A Philadelphia girl, who says she is 19, enclosed in her letter what she described as "my ending of this drama." She clipped pictures from a magazine, showing the principal scenes in a western movie thriller. Wherever the name of the hero appears she substituted the name of Fred Beauvais, and for the "simple country girl" she wrote in "Anne Stillman."

Foch Has To Wait Until He Is Dead

By HENRY WOOD
United Press Staff Correspondent

PARIS—On May 5, with France's celebration of the hundredth anniversary of the death of Napoleon, Marshall Foch will be given little foretaste of the nice things that France will do in his honor when he is safely dead as Napoleon.

There is nothing that France likes to do better or that she does nicer than pulling off honors on behalf of her great military heroes. Generally speaking, France would just as soon honor a live military chief as a dead one, only experience has taught her that it is much safer to stick to the latter.

Experience has taught France that her celebrations in honor of live military chiefs are so intoxicating that they are liable to go to the head of said military chief, and cause him to want to take over the whole show.

So Marshal Foch will participate in the big celebration of May 5 with the quiet and sure consciousness that as soon as he has been dead as long as Napoleon, France won't fail to overlook any little occasion like his birthday or the anniversary of his death.

While the real celebration of Napoleon's death will take place on May 4 and 5, preliminary recognition of the event is already under way. At Malmaison, Fontainbleau, Severs and Campiegne, museums and exposition of relics of Napoleon have been opened.

In the meantime, excursions are being organized to the island of Elba, to the Napoleonic battlefields of France, to Waterloo and if possible, also to those of the Rhine.

An international congress will also be held to which all the learned societies of the world are asked to send delegates for the purpose of studying the Napoleonic code and other works of the great French general and statesman.

On May 4 a religious ceremony will be held at Notre Dame in Paris, with Cardinal Dubois present and at which Abbe Hennoque, who during the world war won eleven citations, will deliver the oration on Napoleon.

On May 5 a great military ceremony will take place at the Arch of Triumph, in which the survivors of the Franco-Prussian campaigns and the poilus of Foch will participate. Finally, in the afternoon another ceremony will take place at the Hotel des Invalides, which Napoleon constructed for his disabled soldiers, at which Marshal Foch will make the principal address.

In the evening gala performances will be given at all the theatres of Paris, while the boulevards will be turned over to merrymakers until they themselves are ready to quit.

NOTICE OF ASSESSMENT

VALLEY WATER COMPANY, a corporation, its principal place of business being located at La Canada, County of Los Angeles, State of California, (postoffice address of said corporation being R. F. D. No. 13, Box 117, Los Angeles, California).

NOTICE IS HEREBY GIVEN that at a meeting of the board of directors held on the 24th day of February, 1921, an assessment of fifty cents (50c) per share was levied upon the capital stock of the corporation, payable February 24, 1921, to E. A. Brigham, treasurer of Valley Water Company at the office of said corporation, to-wit, at the residence of E. A. Brigham, La Canada, County of Los Angeles, California, (the postoffice address of said corporation being R. F. D. No. 13, Box 117, Los Angeles, California). Any stock upon which this assessment shall remain unpaid on the 11th day of April, 1921, will be delinquent and advertised for sale at public auction, and unless payment is made before, will be sold on the 26th day of April, 1921, to pay the delinquent assessment, together with costs of advertising and expenses of sale.

F. D. LANTERMAN,
Secretary of Valley Water Company, R. F. D. No. 13, Box 49, Los Angeles, California.

RALPH E. MILES IS NOW SOLE OWNER OF BUSINESS

IMPROVEMENTS TO BE MADE AND TAILOR AND SHIRT DEPARTMENTS ADDED

Ralph E. Miles of the cleaning and dyeing establishment known as Schaffer & Miles, has recently purchased his partner's share in the business and will continue to conduct the business at the old stand, 221 East Broadway.

The most complete equipment has been obtained for the cleaning and dyeing, and as soon as the new plant, which is being constructed by Roy L. Kent in the rear of the business office, is completed the firm will be able to do all of its work in Glendale, whereas heretofore it has been necessary to send most of it to Los Angeles. This will make it the only firm doing its dyeing in Glendale and will enable it to turn out work much faster than before, it is stated.

Tailoring and Shirt Shop

In addition to his regular cleaning, pressing and dyeing business Mr. Miles is planning on opening a tailoring and custom made shirt shop in connection with the present establishment about April 15. He will handle exclusively materials from the famous clothiers along with excellent workmanship which he has engaged, and should insure a successful venture for this prominent and energetic young business man of Glendale.

Mr. Miles is a former graduate of the local high school, is a member of the Glendale Elks and has a host of friends in the vicinity who wish him success in his new line.

Mr. and Mrs. Levin Locate In Glendale

Mrs. Sidney Dell, of 928 North Louise street, reports that she has just rented half of her double bungalow to Mr. and Mrs. Arthur Levin, of Los Angeles. The Levins are so favorably impressed with Glendale that they have obtained a year's lease on the place.

Mr. Levin is employed by the Pacific Electric Railway company, being a secretary in the Engineering department. He has beena resident of Los Angeles for the past eighteen years.

Ernest H. Steffens Sells His Residence

Ernest H. Steffens, who has resided at 915 East Lomita for the past year, has recently sold his home and plans to vacate on the first of May, when he and his family will move to Anaheim. The Steffens are former residents of Anaheim, having lived there several years prior to coming to Glendale. Otto Scheve, his wife, who is the eldest daughter of Mr. and Mrs. Steffens, and their infant son, who have been visiting in Glendale for the past six months, will also move to Anaheim.

This Farmer Gets Spring Plowing Free

NEW YORK—The United Press today received the following from its Saranac Lake, N. Y., correspondent:

"Irving Braisted, a farmer living near Westport, has the wisdom of a serpent.

"He had a big meadow to plow and a broken tractor, but did not despair.

"He drifted into the general store last night and slipped the sons of rest gathered there an earful of how he had seen two men at dusk burying in his meadow what looked like a gallon of nose paint.

"He then connected with the mattress, sure that his problem was entirely solved.

"It was. Dawn today found the big meadow spaded up from end to end."

William Penn Is Cured By Operation

PHILADELPHIA — William Penn has been cured. Oh, didn't you know he was ill? He had dropsy and an operation has been completed and he came out just fine. William Penn is the statue at the top of City Hall tower.

However, the operation was more dangerous to the "surgeon" than to the patient. A workman climbed up the statue, bored holes in each one of William's limbs and drained two buckets of water out of each member. Now Mr. Penn has recovered sufficiently to receive callers. The entire tower is open to visitors for the first time since before the war.

Marshals Foch, Joffre and Petrain will read into gramophone records the orders issued by them during the war which have become historical and world famous.

Selling One Drink Enough To Convict

OLYMPIA, Wash.—The Supreme court today upheld conviction in the Snohomish County Superior court of Archie Turner for selling moonshine whisky. Turner sought the reversal of judgment on the ground of misconduct by the prosecution, because the jury was not instructed as to minor offenses under the state liquor law and because evidence was presented that Turner had twice been convicted in Whatcom county.

Turner contended that a witness who bought liquor from him did not get intoxicated.

"It need not be proven," says the Supreme court, "in such a case that the immediate effect of one drink is intoxication."

The higher court holds that the selling of one drink makes the bootlegger guilty.

Prehistoric Monster Found In Indiana

LA PORTE, Ind.—A portion of the skeleton of a huge mastodon was unearthed by a La Porte county farmer, Charles Carpenter. Carpenter had seen the monster protruding from the ground for some time, but had supposed it was a stone. Four or five teeth and the jaw bone were unearthed. One of the teeth weighs four pounds and twelve ounces. The remainder of the skeleton is thought to be under the creek bed.

A law prohibiting street railways from charging more than half-fare for passengers obliged to stand was passed by the Missouri house of representatives recently.

If the storage battery is not secured tightly in its place the vibration and polts of ordinary travel may very possibly break some of the jars.

Message To Children From John Burroughs

SAN DIEGO—Just a short time before he died, John Burroughs, world-famous naturalist, wrote a birthday message to the boys and girls of the Audubon societies. The message was:

"The joy of life,"

A birthday message from John Burroughs.

My dear young friends of the every child's Audubon Society:

As the time draws near for my 84th birthday I look back down the long road of the years and think what a good journey it has been. If I could live twice as long, I could not exhaust the beauties and wonders of this best of all possible worlds. All my life I have been trying to find out what I could about this big globe of ours that is swimming through space, and about its inhabitants, human and otherwise, and this knowledge has helped me to feel at home on our planet. I hope each of you will learn to feel at home on this planet and have as happy a life as mine has been, and you can do this if you will lead the simple life, avoid tea and coffee and alcohol and tobacco, and if you will learn the biological value of love and good-will toward all things, both great and small.

Your friend,
JOHN BURROUGHS,
La Jolla, Cal.

Denies Reports Of Blue Law Project

CHICAGO—Plans of the Women's Christian Temperance union for a national membership drive have caused erroneous reports that the organization contemplated a national campaign in support of blue Sundays, according to Mrs. Margaret Munns, national treasurer.

Mrs. Munns said that the W. C. T. U. is planning nothing more than its usual work in support of observance of the Sabbath, and is not in any way planning a special drive in support of blue laws.

"We are seeking to increase our membership from 500,000 to 1,000,000," said Mrs. Munns, "and, in doing this, we will continus our regular work—nothing more."

NOTICE OF TRUSTEE'S SALE

WHEREAS, By deed of trust dated February 10, 1920, recorded March 1, 1920, in book 6986, page 344, of Deeds, Records of Los Angeles County, California, to which record reference is hereby made, Herbert H. Van Loan and Gertrude C. Van Loan, husband and wife, did grant and convey the property therein and hereinafter described to Leigh Bancroft, of Los Angeles, California, as Trustee to secure among other things the payment of two certain promissory notes executed by them, in favor of Thomas E. Atwater, or order, one of said notes being for the principal sum of two thousand dollars and the other for the principal sum of one thousand dollars, and each bearing interest as therein provided, and payable upon the terms and at the times therein particularly set forth, both of which notes are specifically set forth in said deed of trust, reference to which is hereby made for further description thereof; and,

WHEREAS, Said Thomas E. Atwater for a valuable consideration did thereafter, on the 23rd day of August, 1920, grant and assign each and both of said notes, together with all his right, title and interest in and to said deed of trust and the property conveyed thereby, to Mrs. W. S. Fleming, a single woman; and,

WHEREAS, On August 25, 1920, said Mrs. W. S. Fleming for a valuable consideration did grant and assign to Laura Bancroft each and both of said notes, together with all her right, title, and interest in and to said deed of trust and the real property conveyed thereby; and,

WHEREAS, Said Laura Bancroft is now the owner and holder of each and both of said promissory notes and is the owner and holder of all rights as beneficiary under said deed of trust securing payment thereof; and,

WHEREAS, There has been a default in the payment of the principal of each and both of said notes according to the terms thereof and of all interest due and payable thereon subsequent to August 10th, 1920, there being the total sum of $3113.75 now due and unpaid as principal and interest upon said notes; and,

WHEREAS, In accordance with the provisions of Section 2924 of the Civil Code of the State of California, said Laura Bancroft, the owner and holder of each and both of said notes and trust deed, did on August 25th, 1920, cause to be recorded in the office of the County Recorder of said Los Angeles County a notice of such default in the payment of principal and interest and of her election to cause the property described in said trust deed to be sold in accordance with the provisions thereof to satisfy said obligations and each of them, which notice of default and election to sell was duly recorded in book 7186, page 263, of Deeds, Records of Los Angeles County, California; and,

WHEREAS, Said trust deed provides that if there is a default in the payment of any of the sums secured thereby, then upon application of the holder of said note the trustee shall give notice and sell so much of the property as shall be necessary to satisfy the indebtedness secured thereby, together with such costs and expenses as may be incurred, as provided in said trust deed; and,

WHEREAS, Said Laura Bancroft by reason of the default in payments as stated has requested said Leigh Bancroft, as trustee, to give notice and to sell said property, or so much thereof as it shall be necessary to sell to pay all the indebtedness secured and expenses incurred necessary to the execution of said trust:

NOW, THEREFORE, Notice is hereby given that said Leigh Bancroft, by virtue of the authority vested in him as trustee, will sell at public auction to the highest bidder, for cash in gold coin, on the sixteenth day of April, 1921, at the hour of eleven o'clock A. M. of said day, at the western front entrance of the County Court House in the City of Los Angeles, County of Los Angeles, State of California, all the interests conveyed to him by said trust deed in and to the following described property, to-wit:

Lot Eight (8) in Block Six (6) of the Tropico Boulevard Tract, in the City of Glendale, County of Los Angeles, State of California, as per map of said Tract recorded in Book 4, page 95, of Maps, in the office of the County Recorder of said County:

Or so much thereof as shall be necessary to pay the total amount of the principal and interest of each and both of said promissory notes, together with all advances, expenses, charges and costs, amounting to the sum of $3,442.35, due and unpaid.

IN WITNESS WHEREOF, Said Trustee has hereunto set his hand this 24th day of March, 1921.

LEIGH BANCROFT,
Trustee.

GLENDALE LIBRARY HAS NEW BOOKS FOR RELEASE

'SEED OF THE SUN' DEALS WITH JAPANESE PROBLEM; VOLUME ON GAMES

Books released at the Glendale library yesterday afternoon were of a somewhat different type than usual and included:

"Practical Oil Geology," by Dorsey Hager. The application of geology to oil field problems.

"Otherwise Phyllis," by Meredith Nicholson.

"Seed of the Sun," by Wallace Irvin. A novel based on the Japanese problem in California.

"For the Soul of Rafael," by Marah Ellis Ryan. A romance of old California. There is an element of the Spanish fervor of romance in the tale. that makes the pages glow with life. The book reproduces the beauty of the land and the spirit of the old missions.

"A Man of Mark," by Anthony Hope.

"Winner Take All," by Larry Evans.

Methods of Entertainment

"The Book of Games and Parties," by Theresa H. Wolcott. It represents the most original, attractive and succeessful devices for entertainment, giving many suggestions for children's parties, showers, announcements and all forms of festivities.

"Character Indicated by Handwriting," by Rosa Baughan. A practical treatise in support of the assertion that the handwriting of a person is an invariable guide to his character.

"Characterology," by L. Hamilton McCormick. Presents the study and reading of character as an exact science.

Greater Liberty For Japan's Women Given

By HENRY W. KINNEY
United Press Staff Correspondent

TOKYO—With the gradual adoption in Japan of western ideas, Japanese women are gradually coming to take greater part in affairs. The passage by the House of Representatives last week of a bill allowing them to attend political meetings is a significant indication.

In accordance with the general spirit of the Orient, which insists that woman must not be allowed to exercise any function outside of the restricted sphere of the home, Japanese law has heretofore forbidden even the presence of women at political gatherings. Now, they are to be allowed the doubtful pleasure of listening to the political spellbinders, and while this may not seem much, it is a first step towards greater privileges.

The committee of the Diet which reported favoring the bill, said that "the education of women in this country has now reached a stage which completely justifies the recognition of such a privilege." At the same time, however, it reported against allowing the women organizing political associations, and also frowned upon allowing the vote to students, schoolmasters and priests.

The authorities called attention to the fact that there is evidence of a growing desire for higher aducation on the part of women. No less than 1400 applications were recently received from girls for admission to two higher schools in Tokyo, which is far in excess of the number usually received.

The Yomiuri, a Tokyo daily, says: "It is necessary to give the vote to women because the members of the Diet when elected by men alone, do not try to enact legislations favorable to women. Most men maltreat woman, and as long as they are denied the vote, just so long will it be impossible for them to become emancipated. Further, it is said that if women are enfranchised, it will have the effect of elevating them to the moral level of men. This alone will be of great benefit to the nation. In olden times women were regarded as slaves. There can be no more discrimination between them in point of rights than there is between different races."

A curious evidence of the tendency on the part of the women to take part in affairs is the formation, in Yamanishi Prefecture, of a fire brigade with forty female members, who claim that they will prove better fire fighters than are the men.

Fish Ducks To Make This River Fishless

NIAGARA FALLS, N. Y.—Fish in the Niagara river will soon be a thing of the past and the famous river will be known as fishless.

Fish-eating ducks are devouring thousands of fish daily. The shell drake or cowens will kill more fish in a day than an expert fisherman. Ducks killed in the spring are always found with their crops filled with fish.

Sportsmen are advocating an open season for ducks in the spring on the Niagara river in order to protect the fishing. Fish-eating ducks are like rubber and are not especially good game for eating.

MOTHER LOVE WINS OVER SCIENCE IN THIS PICTURE

SACRIFICE AND DEVOTION FROM PARENT BASIS OF FILM AT PALACE GRAND TONIGHT

That mother love may triumph even when science has failed is the story told in "The Woman in His House," a remarkable photoplay which is the attraction at the Palace Grand Theatre today only. It deals with the sacrifice and devotion which went to the cure of a child who science had said would always be a hopeless cripple.

An all-star cast appears in this picture, headed by Mildred Harris, who plays the role of the neglected wife and mother, and Ramsey Wallace, who has the part of the over-ambitious father, a great physician. The other principal players are Thomas Holding, George Fisher, Gareth Hughes, Winter Hall, Catherine Van Buren, Bob Walker and little Richard Hedrick. The latter has the part of the afflicted child.

The locale embraces the picturesque, rockbound coast of Eastern Canada, and the home and environment of the busy New York physician. "The Woman in His House" is a Louis B. Mayer production, released by Associated First National Pictures, Inc. It was directed by John Stahl.

Other features will be shown on the big Friday night bill while the music will be equal to the pictures.

ANOTHER BUSINESS SECTION PLANNED FOR GLENDALE

CANADA BOULEVARD WILL BE SITE FOR STORE ROOMS; R. D. ESTES TO BUILD

One more business center for Glendale.

Already there are a half dozen, but the latest is the most remote and most necessary, it would seem.

It is on Canada boulevard in the Verdugo Woodlands section of the city.

R. D. Estes of Twenty-fourth avenue and West Adams street will be the first to build there. He has plans for a two-story brick store building with a white tile front, that being the restriction placed upon the business lots by the F. P. Newport company. Mr. Estes pioneered the grocery field at his present location and has just negotiated the sale of that store.

J. L. Cross of Burlingame, Kas., also has purchased two lots on which he plans to erect a two-story building, fronting 50 feet on Canada boulevard, prior to September 1. He has returned to Kansas to close out business interests there with a view of locating in this section permanently.

Celebration Will Be Held Tomorrow

Several members of Mary Jane Gillette Tent, No. 18, Daughters of Veterans, will attend the celebration at Sycamore Grove tomorrow. This event is the fifty-sixth anniversary of that historical conference between General U. S. Grant and General Robert E. Lee at Appomattox courthouse, Virginia, which ended the four years' hard struggle. It has been the custom for many years by the veterans of the civil war who reside in Los Angeles and nearby cities to hold this celebration in Sycamore Grove, and this year's arrangements, just completed, are more elaborate than in previous years and a great attendance is anticipated.

The ever appropriate and welcome well filled basket dinner at noon is always an enjoyable feature, and will be followed by a good program of short talks by several of the "boys," music, readings by Mrs. Pearl Moore, and an address by General George Loud, a past department commander of New York.

Five chauffeurs and two footmen are employed at the White House garage in Washington, for the operation of motor vehicles.

FIVE ACTS AMATEUR VAUDEVILLE FOR ADDED FEATURE

TRYOUTS TO BE HELD TONIGHT AT GLENDALE THEATRE IN ADDITION TO PICTURES

Tonight amateur vaudeville is an added attraction at the Glendale theatre which should attract another record throng. Five acts are offered by Manager W. A. Howe, including professional tryouts and they will be presented at the close of the first show. In addition to the feature picture, two late news reels and a travel scenic will be shown.

One of the most poignant and appealing screen dramas ever written is "The Stealers," William Christy Cabanne's eight-reel super-special, released by Robertson-Cole, which opened at the Glendale theatre last night for a run of three days.

Power of Divine Faith

The picture is one of those rare epics of the screen which entertains and at the same time seems to have a serious purpose, in this case a tendency to make the spectator stop and think of the wonders of the universe and the power of divine faith.

The story deals with the regeneration of a clergyman who had prostituted his talents to defying God instead of serving him. How his rescue from the forces of evil influence of others furnishes an original and interesting climax.

"The Stealers" is as spectacular in its scenic effects as it is in theme. The titles are colored—something new in pictures—and so are some of the big scenes in two of which more than 5,000 persons take part.

"My Little House on the Hill" is the featured organ number played by Madame Clement which more than pleased yesterday's audiences.

Gathering Is Held At Colorado School

A very interesting meeting of the Colorado Street Parent-Teacher association was held yesterday afternoon at the school building, Mrs. W. Dotson presiding.

After a short, social hour, during which tea and wafers were served, quilt blocks were given to the members, who sewed busily during the afternoon's program.

Mrs. Kemper Campbell was the speaker for the afternoon. She gave a very interesting address on "Juvenile Laws," which the members greatly appreciated.

Superintendent Richardson D. White was present and urged all who could to attend the mass meeting last night at the Intermediate school in the interest of the school bond election.

At this time a committee was appointed to nominate officers for the following year. This committee consists of Miss Ida Waite, chairman; Mrs. Chambers and Mrs. Brant.

Delegates for the First District Convention of the Parent-Teacher associations, to be held in the Walker Theatre building, Los Angeles, April 28-29, were also appointed.

City Will Continue Renting Water Shares

Continuation of the policy adopted in 1919 regarding renting of shares Verdugo canyon water was authorized at the meeting of the board of city trustees in session last night on motion of Trustee Bartlett, after the following communication had been read from T. W. Watson, city manager:

"On February 20, 1919, your board adopted the following motion in regard to renting of shares of Verdugo canyon water:

"That the city of Glendale rent any or all of the shares of water in the Verdugo canyon which the owners desire to so dispose of for the year 1919 at the rate of 50 cents per share per year, the owners of the water to pay the Verdugo canyon pipe rate.

"I do not find that any subsequent artion has been taken by your board on this matter and would recommend that this action be amended so that it will apply until further action thereon by your board."

L. A. And Seattle Contest 11 Innings

SAN FRANCISCO, April 8.—The Seals, Tigers and Angels triumphed again in yesterday's Coast league games, repeating the performances of the day before, although in each instance they had to work a bit harder.

Salt Lake and Oakland still were snowbound, but they hoped to get started today. The Seals beat Portland 5 to 3, but they had to use a trio of pitchers to do it.

The Angels battled eleven innings with Seattle before Carrol's single brought Wade Killifer home with the run which made the score 4 to 3.

Vernon and Sacramento furnished some thrills. Twice Sacramento was in the lead and twice Vernon came from behind finally winning, 8 to 6.

Mrs. A. K. Anderson Gives Dinner Party

Mrs. Anita K. Anderson of 454 West Maple avenue entertained with a dinner party recently for Mrs. Charles S. Gale and daughter, Betty Ann, of Minneapolis. Covers were laid for fourteen. California poppies were used for decorations.

Mrs. Gale and daughter have been spending the winter with Mrs. Anderson and are now visiting friends in Pasadena for a few days. They will leave Monday for Santa Barbara, accompanied by Mrs. Henry Schwimmer of Pasadena and St. Paul, en route to their home in the east. It is expected that five weeks' time will be taken for the return trip. They will go the northern route, visiting friends on the way. Mrs. Gale will open her country home, "Woodchuck Knoll," Maplewoods, at Lake Minnetonka, Minnesota, about May 15.

Pioneers of the Klondike who braved the rigors of the north more than twenty years ago are founding an organization to be known as the Yukon Order of Pioneers.

CITY WATER SUPPLY ABOVE STANDARD, SO TESTS SHOW

PURITY IS CERTAIN, ASSERTS T. W. WATSON; STATEMENT TO BE GIVEN PUBLIC

(Continued from Page One)

people of Glendale that the water supply is not pure and that it is unfit for human consumption as it is taken from the tap for domestic purposes, and that by the use of percolators the water may be made pure and wholesome. These impressions are erroneous.

"The water by sterilization is brought to a high degree of purity far beyond that which is required either by the United States government or the California State Board of Health before it enters the distributing system. This is substantiated by reports of the bacterial count of water samples taken daily before and after sterilization.

"We have also caused samples to be taken of water drawn from the distributing system and placed in certain of these water percolators; also samples from the same percolators several days later, and in all instances we find that the bacterial count has been multiplied many times in the short period that the water has been confined in these percolators, demonstrating clearly that the percolators only enhance any danger to health that might exist on account of disease-producing bacteria in the water supply.

"Owing to a certain vegetable growth that enters the distributing system from the surface waters of Verdugo canyon and also the growth of pipe moss in the distributing system, we have many complaints this time of the year as to the condition of the water supply. Experience of the last three years in handling this matter and the knowledge gained from bacterial examinations of samples taken from locations from which these complaints come has taught us that the remedy for this difficulty is the complete flushing out of the water system. This is now being done.

"Owing to conditions in Verdugo canyon, it has been necessary to sterilize the supply from that source and because of the presence of large percentage of iron in the water derived from the wells at the main pumping plants facilitating the growth of pipe moss, this water is being treated with a small amount of copper sulphate. The fact that this is being done has led many people to assume that the trouble they find with the water supply at their particular premise, is due to chemicals placed in the water for the above-mentioned purpose. This is not the fact. Whatever trouble there is is the result of the presence in the water system of vegetable growth and sediment as stated above.

"We believe that the people of Glendale should know the facts set forth above and should be acquainted in detail with the actual condition of the water supply and the means and caution taken to insure its purity. We would therefore request authorization to prepare, with the assistance of Health Officer Dr. J. E. Eckles and Dr. Carl Wilson, a comprehensive report setting forth in detail these matters and to distribute such statements to the water consumers of the city of Glendale."

RESOLUTION NO. 1180

A RESOLUTION OF THE BOARD OF TRUSTEES OF THE CITY OF GLENDALE CALLING A SPECIAL ELECTION TO BE HELD ON THE 26TH DAY OF APRIL, 1921, IN THAT CERTAIN TERRITORY CONTAINED WITHIN THE BOUNDARIES OF PROPOSED MUNICIPAL IMPROVEMENT DISTRICT NO. 4 OF SAID CITY, PROVIDING FOR SUBMITTING TO THE QUALIFIED ELECTORS OF SAID DISTRICT THE PROPOSITION OF INCURRING A DEBT BY ISSUANCE OF BONDS OF SUCH DISTRICT FOR THE PURPOSE OF ACQUIRING AND CONSTRUCTING WORKS FOR DISTRUBUTING AND SUPPLYING WATER TO THE INHABITANTS OF SUCH DISTRICT, INCLUDING THE ACQUISITION OF LANDS, WATERS, WATER RIGHTS, EASEMENTS, RIGHTS OF WAY, STRUCTURES, PIPES, PIPE LINES, APPARATUS AND ALL OTHER PROPERTY, AND THE CONSTRUCTING OF MAINS, CONDUITS AND OTHER WORKS NECESSARY FOR SUCH PURPOSE; PROVIDING FOR THE ISSUANCE AND SALE OF SUCH BONDS FOR SUCH PURPOSES AND FOR THE LEVYING OF A TAX FOR PAYMENT OF SUCH BONDS; AND ESTABLISHING ELECTION PRECINCTS AND POLLING PLACES IN SAID TERRITORY AND APPOINTING THE OFFICERS OF ELECTION FOR SAID SPECIAL ELECTION.

WHEREAS, On the 3rd day of March, 1921, a petition was filed in the office of the City Clerk of the City of Glendale and ex-officio clerk of the legislative body of said city, to-wit:

The Board of Trustees of said city, requesting that proceedings be taken under the provisions of an act of the Legislature of the State of California entitled, "An Act to Provide for the Formation of Districts Within Municipalities for the Acquisition or Construction of Public Improvements, Works and Public Utilities; for the Issuance, Sale and Payment of Bonds of such Districts to Meet the Cost of Such Improvements, and for the Acquisition or Construction of Such Improvements," approved April 20th, 1915, and amendments thereto, for the purpose of acquiring and constructing works for distributing and supplying water to the inhabitants of such District, including the acquisition of lands, waters, water rights, easements, rights of way, structures, pipes, pipe lines, apparatus and all other property, and the constructing of mains, conduits and other works necessary for such purpose, and said petition was signed by not less than ten per cent (10%) of the qualified electors of the territory so proposed to be formed into said Municipal Improvement District No. 4.

WHEREAS, In pursuance of said petition and of the act of April 20th, 1915, the Board of Trustees of the City of Glendale on the 17th day of March, 1921, passed an ordinance designated as "Ordinance No. 431 of said city containing the matters prescribed by said act and declaring the intention of the Board of Trustees to call an election in that part of the City of Glendale contained within the boundaries of said proposed municipal improvement district to be known as Municipal Improvement District No. 4 of the City of Glendale, for the purpose of submitting to the qualified electors of said district the proposition of authorizing the issuance and sale of bonds of such district in the manner provided for in said act, to meet the cost of said proposed improvement and said ordinance was approved and adopted by the Board of Trustees of said City on the 17th day of March, 1921, and was thereafter duly published as provided by law; and,

WHEREAS, No protests had been filed with the said City Clerk on the 31st day of March, 1921, which last named day was the time set in and by said Ordinance No. 431 for the hearing of protests; and,

WHEREAS, No protests were filed or offered, and thereupon the Board of Trustees of said City of Glendale acquired, and now has jurisdiction to proceed further in accordance with the provision of said act;

NOW THEREFORE, the Board of Trustees of the City of Glendale, do resolve as follows, to-wit:

SECTION 1. That a special election be, and the same is hereby called to be held on the 26th day of April, 1921, within proposed Municipal Improvement District No. 4 of the City of Glendale, the exterior boundaries of which district are contained in said ordinance of intention and hereafter described, for the purpose of submitting to the qualified electors in said district the proposition of incurring a debt for the issuance of bonds of such district for the purposes set forth in said ordinance of intention and hereinafter stated: The exterior boundaries of said district being particularly described as follows, to-wit:

Beginning at a point where the northerly Right of Way line of the Pacific Electric Railway is intersected by the Southerly prolongation of the Easterly line of Lot 10 of the Hunter Subdivision of a part of the Rancho San Rafael as per Map of same Recorded in Book 5, Page 395 of Miscellaneous Records of Los Angeles County, California; thence northerly along said southerly prolongation of the easterly line of said Lot 10 and along the easterly lines of Lots 10 and 7 of said Hunter Subdivision and the Northerly prolongation of said Easterly line of said Lot 7 to a line drawn 30 feet northerly from and parallel with the Northerly line of said Lot 7 of said Hunter Subdivision; thence Westerly along said line so drawn 30 feet Northerly from and parallel with the Northerly lines of Lots 7 and 8 of said Hunter Subdivision to the Southerly prolongation of the center line of Grand View Avenue; thence northerly along said Southerly prolongation of said center line of Grand View Avenue and the center line of said Grand View Avenue to the center line of Mountain Street; thence northwesterly along said center line of Mountain Street to its intersection with the westerly boundary line of the City of Glendale; thence southwesterly southeasterly, southwesterly, southeasterly, northeasterly and southeasterly following the various courses of the westerly boundary line of the City of Glendale to a point on said westerly boundary line seven hundred and fifty (750) feet northwesterly measured thereon from the northwesterly line of Tract No. 646, as per map recorded in Book 15, Pages 162 and 163 of Maps, Records of aforementioned County; thence northeasterly in a direct line to the point of beginning.

SECTION 2. The objects and purposes for which said proposed indebtedness is to be incurred are the acquiring and constructing of works for distributing and supplying water to the inhabitants of such District, including the acquisition of lands, waters, water rights, easements, rights of way, structures, pipes, pipe lines, apparatus, and all other property, and the constructing of mains, conduits and other works necessary for such purpose.

SECTION 3. That the estimated cost of said proposed improvement is $30,000.00, that the amount of the principal of the indebtedness proposed to be incurred is the sum of $30,000.00 and the rate of interest to be paid on said indebtedness shall be six (6%) per centum per annum, payable semi-annually.

SECTION 4. The polls of said election shall be opened at 6 o'clock a. m. of the day of the election and shall be kept open until 7 o'clock p. m., when the polls shall be closed, except as provided by Section 1164 of the Political Code of the State of California.

SECTION 5. That there shall be printed on the ballots to be used at said special election, in addition to the other matters required by law, the following proposition to be voted on, to-wit:

"Shall that certain proposed Municipal Improvement District known as Municipal Improvement District No. 4 of the City of Glendale, incur a bonded debt of $30,000.00 for the purpose of acquiring and constructing of works for distributing and supplying water to the inhabitants of such District, including the acquisition of lands, waters, water rights, easements, rights of way, structures, pipes, pipe lines, apparatus and all other property, and the constructing of mains, conduits and other works necessary for such purpose?"

That opposite the above proposition to be voted on, and to the right thereof, the words "Yes" and "No" shall be printed on separate lines with voting squares thereafter, and electors shall vote on said proposition by stamping a cross (X) in the voting square after the answer they desire to give.

SECTION 6. For the purpose of holding and conducting said special election, said district as above described shall constitute one election precinct denominated as Special Election Precinct No. 1 and the following polling place in said precinct is hereby designated and the following named election officers therefor are hereby designated, to-wit:

Special Election Precinct No. 1.

All of said Municipal Improvement District No. 4.

Polling Place: Mr. C. Elsperman's Garage, situated on the South Side of Sixth Street between Grand View Avenue and Winchester Avenue. Inspector, Anna M. Asbury; Judge, Mrs. Myrtle Buckman; Clerk, Mrs. Sadie Learned.

SECTION 7. That in all particulars not recited in this resolution, such election shall be held and conducted as provided by law for holding general municipal elections in said City of Glendale.

SECTION 8. The City Clerk shall certify to the passage of this resolution by the Board of Trustees of the City of Glendale and cause the same to be published five times in "The Glendale Evening News," a daily newspaper printed, published and circulated in the City of Glendale.

DWIGHT W. STEPHENSON,
President of the Board of Trustees of the City of Glendale.

ATTEST: J. C. SHERER,
City Clerk of the City of Glendale.

I, J. C. SHERER, City Clerk of the City of Glendale do hereby certify that the foregoing resolution was adopted by the Board of Trustees of the City of Glendale at a regular meeting thereof held on the 7th day of April, 1921.

J. C. SHERER,
City Clerk of the
185-t-5 City of Glendale.

ORDINANCE NO. 437

AN ORDINANCE OF THE CITY OF GLENDALE PROVIDING FOR THE ISSUANCE OF FIFTY THOUSAND ($50,000.00) DOLLARS BONDS OF MUNICIPAL IMPROVEMENT DISTRICT NO. 3 OF THE CITY OF GLENDALE, AUTHORIZED BY THE VOTERS OF SAID DISTRICT AT A SPECIAL ELECTION HELD ON MARCH 10, 1921, FOR THE PURPOSE OF ACQUIRING AND CONSTRUCTING WORKS FOR THE COLLECTION AND DISPOSAL OF SEWAGE FROM SAID DISTRICT INCLUDING THE ACQUISITION OF LANDS, EASEMENTS, AND RIGHTS OF WAY, AND THE CONSTRUCTION OF PIPE LINES, MANHOLES, FLUSH-TANKS, SEPTIC TANKS, CESSPOOLS AND OTHER WORKS AND APPURTENANCES NECESSARY FOR SUCH PURPOSE.

Whereas, in pursuance of an act of the Legislature of the State of California, entitled:

"An act to provide for the formation of districts within municipalities for the acquisition or construction of public improvements, works and public utilities therein; for the issuance, sale and payment of bonds of such districts to meet the cost of such improvements, and for the acquisition or construction of such improvements," approved April 20, 1915, and amendments thereof, and of Resolution No. 1163 of the City of Glendale, passed on the 17th day of February, 1921, a special election was duly held in that certain territory contained within the boundaries of proposed Municipal Improvement District Number 3 of the City of Glendale, particularly described in said Resolution, upon the following proposition, duly and regularly submitted to the qualified electors of said district at such election, to-wit:

"Shall that certain proposed municipal improvement district, known as Municipal Improvement District Number 3 of the City of Glendale, incur a bonded debt of $50,000.00 for the purpose of acquiring and constructing works for the collection and disposal of sewage from said district including the acquisition of lands, easements, and rights of way, and the construction of pipe lines, manholes, flush-tanks, septic tanks, cesspools and other works and appurtenances necessary for such purpose," and

Whereas, according to the returns of such special election as canvassed by the Board of Trustees of the said City of Glendale on March 17, 1921, the result of which canvass was then and there ascertained and entered and recorded according to law, more than two-thirds of all of the voters voting at said election did vote in favor of incurring the bonded indebtedness as described in said proposition so submitted at said special election, thereby authorizing and empowering said Board of Trustees to issue the bonds of said district for the amount of $50,000.00, for the purposes aforesaid, payable out of the funds of said district, to be provided as in said Act prescribed, and

Whereas, the public interest and necessity of such Municipal Improvement District Number 3 of the City of Glendale demand that said $50,000.00 bonds of such district be issued and sold at the earliest practicable date for the purpose of providing funds for the aforesaid improvement;

Now, therefore, the Board of Trustees of the City of Glendale do ordain as follows:

SECTION 1. That bonds of said Municipal Improvement District Number 3 of the City of Glendale be issued in accordance with an Act of the legislature of the State of California, entitled: "An act to provide for the formation of districts within municipalities for the acquisition or construction of public improvements, works and public utilities therein; for the issuance, sale and payment of bonds of such districts to meet the cost of such improvements, and for the acquisition or construction of such improvements," approved April 20, 1915; and amendments thereof; that said bonds shall be fifty (50) in number, numbered one (1) to fifty (50) both inclusive, and shall each be designated "Municipal Improvement District Number 3, of the City of Glendale, Bond"; said bonds shall be of the denomination of One Thousand ($1000) Dollars each, and the principal and interest of each and all of said bonds shall be payable in lawful money of the United States; they shall be dated May 1, 1921, and shall bear interest at the rate of six (6%) per centum per annum, payable semi-annually on the 1st day of May, and the 1st day of November, of every year. The Board of Trustees of the City of Glendale hereby fixes May 1, 1931 as the date for the earliest maturity of the principal of any of said bonds, and said bonds shall be payable in the manner following:

Bonds numbered 1 and 2, both inclusive, May 1, 1931,
Bonds numbered 3 and 4, both inclusive, May 1, 1932,
Bonds numbered 5 and 6, both inclusive, May 1, 1933,
Bonds numbered 7 and 8, both inclusive, May 1, 1934,
Bonds numbered 9 and 10, both inclusive, May 1, 1935,
Bonds numbered 11 and 12, both inclusive, May 1, 1936,
Bonds numbered 13 and 14, both inclusive, May 1, 1937,
Bonds numbered 15 and 16, both inclusive, May 1, 1938,
Bonds numbered 17 and 18, both inclusive, May 1, 1939,
Bonds numbered 19 and 20, both inclusive, May 1, 1940,
Bonds numbered 21 and 22, both inclusive, May 1, 1941,
Bonds numbered 23 and 24, both inclusive, May 1, 1942,
Bonds numbered 25 and 26, both inclusive, May 1, 1943,
Bonds numbered 27 and 28, both inclusive, May 1, 1944,
Bonds numbered 29 and 30, both inclusive, May 1, 1945,
Bonds numbered 31 and 32, both inclusive, May 1, 1946,
Bonds numbered 33 and 34, both inclusive, May 1, 1947,
Bonds numbered 35 and 36, both inclusive, May 1, 1948,
Bonds numbered 37 and 38, both inclusive, May 1, 1949,
Bonds numbered 39 and 40, both inclusive, May 1, 1950,
Bonds numbered 41 and 42, both inclusive, May 1, 1951,
Bonds numbered 43 and 44, both inclusive, May 1, 1952,
Bonds numbered 45 and 46, both inclusive, May 1, 1953,
Bonds numbered 47 and 48, both inclusive, May 1, 1954,
Bonds numbered 49 and 50, both inclusive, May 1, 1955.

SECTION 2. That the form of said bonds shall be substantially as follows:

"No..... $1000.00

UNITED STATES OF AMERICA
State of California
City of Glendale
Municipal Improvement District
Number 3 of the City of
Glendale, Bond."

Under and by virtue of an Act of the legislature of the State of California entitled; "An act to provide for the formation of districts within municipalities for the acquisition or construction of Public improvements, works and public utilities therein; for the issuance, sale and payment of bonds of such districts to meet the cost of such improvements; and for the acquisition or construction of such improvements," approved April 20, 1915, and amendments thereof, Municipal Improvement District Number 3 of the City of Glendale, in the City of Glendale, State of California, promises out of the fund hereinafter described, to pay the bearer on the 1st day of May, 19..... (year of maturity) the sum of One Thousand Dollars, with interest thereon at the rate of six (6%) per centum per annum, payable semi-annually on the 1st day of May and the 1st day of November, of each year, upon presentation and surrender of the interest coupons hereto attached; both principal and interest payable in lawful money of the United States, at the office of the Treasurer of the said City of Glendale. The principal and interest of this bond are payable exclusively out of taxes levied upon the taxable property in said Municipal Improvement District Number 3 of the City of Glendale, and neither the City of Glendale, nor any officer thereof, is holden for the payment thereof otherwise. It is hereby certified that all requirements of the constitution and laws of the State of California and ordinances of said City of Glendale have been fully complied with by the proper officers in the issuing of this bond; that this issue of bonds has been authorized by a two-thirds vote of the duly qualified voters of said district voting on the question of such issue at a special election duly and regularly called and held in said district on March 10, 1921, and that provision has been made for the collection of an annual tax upon the taxable property of said district sufficient to pay the interest on this bond and the issue of which it forms a part, as said interest falls due, and also provision to constitute a sinking fund for the payment of the principal thereof.

In Witness Whereof, the Board of Trustees of the City of Glendale, the governing authority of said Municipal Improvement District Number 3 of the City of Glendale, has caused this bond to be signed by the President of the Board of Trustees and Treasurer of the said City of Glendale, and countersigned by the Clerk of said City, and the corporate seal of said City, to be hereto affixed, and the interest coupons hereto attached to bear the fac-simile signature of said Treasurer, on this first day of May, A. D. 1921.

.....
President of the Board of Trustees of the City of Glendale.

.....
Treasurer of the City of Glendale.
Countersigned by

.....
City Clerk of the City of Glendale.

That coupons consecutively numbered shall be attached to each of said bonds for the interest accruing thereon, and said coupons shall be substantially in the following form, to-wit:

"$..... Glendale, California, May 1, 1921.

On the first day of.....(month of maturity) A. D., 19.... (year of maturity), Municipal Improvement District No. 3, of the City of Glendale, in the City of Glendale, County of Los Angeles, State of California, will pay to the bearer at the office of the Treasurer of the City of Glendale, the sum of Thirty Dollars ($30.00) in lawful money of the United States, for the semi-annual interest due on Municipal Improvement District No. 3, of the City of Glendale Bond, No..... (Number of bond to which coupon is attached), this coupon being payable exclusively from taxes levied upon the taxable property of said district.

.....
Treasurer of the City of Glendale."

SECTION 3. That the President of the Board of Trustees and Treasurer of said City of Glendale are hereby authorized and directed to sign all of said bonds, and the City Clerk of said City is hereby authorized and directed to countersign said bonds and said bonds shall be delivered by said City Clerk to said Treasurer in such amounts as the Board of Trustees of said City may from time to time designate; and said Treasurer is hereby authorized and directed to sign all of the interest coupons of said bonds by his lithographed or engraved signature.

That the proceeds of the sale of said bonds shall be placed in the Treasury of said City of Glendale to the credit of a fund to be known as "Municipal Improvement District No. 3 of the City of Glendale Fund," and shall be applied exclusively to the purposes mentioned in this ordinance, to-wit: For the purpose of acquiring and constructing works for the collection and disposal of sewage from said district including the acquisition of lands, easements, and rights of way, and the construction of pipe lines, manholes, flushtanks, septic tanks, cesspools and other works and appurtenances necessary for such purpose.

SECTION 4. That for the purpose of securing and providing for the payment of the principal and interest of said bonds, there is hereby created a fund in the Treasury of said City, to be known as "Municipal Improvement District Number 3, of the City of Glendale Bond, Interest and Sinking Fund." That all the money which from time to time shall be placed in said fund shall be, and is hereby, set apart exclusively for the purpose of meeting all sums coming due for principal and interest on all of the aforesaid bonds which may be issued under the proceedings hereinbefore recited. That for the purposes of paying the principal and interest of said bonds, the Board of Trustees of the City of Glendale shall, at the time of fixing the general tax levy and in the manner for such general tax levy provided, levy upon taxable property of said district, and collect annually each year, until such bonds are paid or until there shall be a sum in the Treasury of said City set apart for that purpose sufficient to meet all sums coming due for principal and interest on said bonds, a tax sufficient to pay the interest on said bonded indebtedness as it falls due, and also to constitute a sinking fund for the payment of the principal thereof on or before maturity. Said tax shall be in addition to all other taxes levied for municipal purposes and shall be collected at the same time and in the same manner as other municipal taxes are collected, and forthwith as collected shall be turned over to and paid into the treasury of said City and placed in the said "Municipal Improvement District No. 3 of the City of Glendale Bond Interest and Sinking Fund," and be used for no other purpose than the payment of the principal and interest on said bonds.

SECTION 5. The City Clerk shall certify to the passage of this Ordinance by the Board of Trustees, and cause same to be published once in the Glendale Sentinel Progress, a weekly newspaper published and circulated in said City.

Passed this 7th day of April, 1921, by the Board of Trustees of the City of Glendale.

DWIGHT W. STEPHENSON,
President of the Board of Trustees of the City of Glendale.

Attest:

HIGH SCHOOL CLASS VISITS PLANT OF EVENING NEWS

STUDENTS COME TO COMPOSING ROOM TO GET INFORMATION TO HELP IN WORK

A group of visitors who found much of interest in the composing rooms of The Glendale Evening News yesterday afternoon was the book-keeping class from Glendale High school, of which J. R. Baker is instructor and which is keeping a set of books called the "Franklin Printing Set."

Not any of the class were familiar with printing machinery or terms, and it was for the purpose of acquainting them with the practical side that the visit was made.

The class included David S. Lynd, Elsa Steffens. Dorothy Danner, Neville Richardson, Hazel Freeman, Fern Peters and Evelyn Walker.

They witnessed the setting of type on the linotype machines and the printing of the papers on the large Duplex press. Other features of the work were explained to them by the experts at the heads of the different departments of The Evening News.

Modern Plant Selected

Professor Baker was desirous that the members of his class should receive practical instruction in a plant that was equipped with last-minute material and machinery, so he selected that of The Evening News for the visit.

Heads of the various departments went into detailed explanation, so the class members had every opportunity of gaining complete information.

The plant of this paper is open to public inspection during regular office hours and almost every day visitors are received and many comments are made concerning the activity about the big institution.

MINUTES OF CITY TRUSTEES

The proceedings of the Board of City Trustees in session at the city hall last night, as taken from the official minutes compiled by J. C. Sherer, city clerk, are as follows:

Board assembled at 8:15 p. m., all members present. The minutes of the regular meeting of March 31, 1921, and the adjourned meeting of April 4, 1921, were read and approved.

Protests Dayton Improvement

Protests were called for against the proceeding for the improvement of Dayton Court, and the clerk reported that none had been filed, neither were there any protestants present.

Abandonment of Barbara Drive

Protests were called for against the proceedings for the abandonment of Barbara Drive. None had been received and no protestants were present.

Maple Street Improvement

"A petition and appeal in re: Maple street assessment" was presented to the board signed by J. F. McClish and others requesting that the trustees order the re-assessment downward as to property referred to in the petition. Petition was ordered to be filed.

Water to Outside Territory

J. F. McClish addressed the board asking what the city proposes to do about supplying water to the Goodman tract outside the city limits. The chairman stated that the matter is being considered by the board and will receive prompt and serious attention; there being no intention on the part of the Board of Trustees to evade any contract executed or implied into which the city had entered.

Maple Street Improvement

A motion made by Trustee Henry was adopted all voting aye, fixing the hearing of protests against the approval of the assessment that has been made for the improvement of Maple street, for 8 o'clock p. m., April 14, 1921.

Removal of Palm Trees

A communication was presented from Mattison B. Jones requesting permission to remove two palm trees now standing in front of lot 12, block 6, of the Glendale Boulevard tract. On motion of Trustee Henry the permit was granted on the following roll call:

Ayes—Henry, Lapham, Robinson, Stephenson.
Noes—Bartlett.

Application to Conduct Dairy

An application was received from John Barnes to conduct a dairy at 925 East Broadway. Approved by the sanitary inspector was, on motion, granted.

Dorothy Drive

Communication was presented from Frank W. Stanley of 1240 Dorothy Drive, asking that the city of Glendale accept that street and a certain alley recorded as lots A and B in the Geo. W. Palmer tract, which have been deeded by Palmer to the city. Referred to the city manager.

Permit Wanted

Robert C. Goudie and son made application for a permit to conduct a small wrought iron and ornamental iron shop in Glendale. Referred to the city manager.

Before Railroad Commission

Notice was read from the Railroad commission of the state of California to the effect that the hearing in the case of the Casa Verdugo Improvement association against the Pacific Electric Railroad company will be held on April 29, 1921, at 10 a. m. in the office of the commission in Los Angeles. Referred to the city attorney.

Work by Private Contract

An application was presented from John W. Henderson asking for a permit to do street work by private contract in front of 217 North Brand boulevard consisting of a 9½-foot cement sidewalk 50 feet in length. Being approved by the street superintendent same was granted.

An application was received from J. H. Anderson asking for a permit to do street work by private contract at the southeast corner of Harvard and Kenilworth streets, consisting of a 5-foot cement sidewalk and the same being approved by the street superintendent was granted.

Reports of City Officials

Report was presented from the building inspector for the month of March showing the following:

Number of permits, 184.
Value of permits, $473,462.
Fees, $438.
Number of plumbing permits, 221.
Value of plumbing permits, $43,893.
Number of electric permits, 198.
Fees, $468.60.
Street excavations permits issued, 36.
Fees, $18.
Fees (plumbing permits), $385.75.
Same was ordered to be filed.

Report was presented from the city treasurer, which was referred to the finance committee and ordered to be filed.

Transfer of Funds

On motion of Trustee Robinson it was ordered that the sum of $5,351.43 be transferred from the general reserve fund to the general budget fund as a loan by the following roll call:

Ayes—Bartlett, Henry, Lapham, Stephenson, Robinson.
Noes—None.

Demands

The demands were presented to the board and referred to the finance committee and the same were approved by the committee and on motion of Trustee Robinson it was ordered that warrants be issued in payment of same, by the following roll call:

Ayes—Bartlett, Henry, Lapham, Robinson, Stephenson.
Noes—None.

Sanitary Conditions

The city marshal and the sanitary inspector reported in regard to the complaint made at a former meeting by James H. Garnsey and others that they had examined the premises at 437 West Lomita and find that there has been no breach of any city ordinance in regard to the matters complained of, but that certain changes will be made in order to comply more strictly to the sanitary requirements. It was ordered that the report be filed and a copy mailed to Mr. Garnsey.

Garbage Disposal

The city manager submitted a report in regard to proposals to gather and dispose of garbage, recommending that all proposals be rejected; as he believes the best interests in the city will be served by the gathering of all garbage by the city and disposal of the same to the best advantage. He further recommended that the city clerk be instructed to advertise for proposals to furnish the city of Glendale one two-ton truck for hauling garbage; bids to be received April 14, 1921. On motion, recommendation of the city manager was adopted and the city clerk instructed to advertise in accordance with the same.

Verdugo Canyon Water

The city manager in a report to the board stated that on February 20, 1919, the Board of Trustees had adopted a resolution in regard to the rental of shares in the Verdugo Canyon Water company, by which the city was to pay the sum of 50 cents per share per year. He recommended that the board take similar action authorizing such payments until such time as the order may be rescinded and on motion of Trustee Bartlett, the recommendation was adopted and the agreement continued.

Change Fire Districts

The city manager presented a report embodying certain changes agreed upon in the committee of the whole in regard to fire districts. By the proposed change Fire District No. 2 will be eliminated and twelve new districts created, the same being practically divisions of Fire District No. 1. On motion of Trustee Lapham report was ordered to be referred to the city manager and incorporate therein certain changes recommended by him.

Verdugo Water Development

In a communication to the board the city manager called attention to the fact that before a water development works in the Verdugo Canyon can be completed it will be necessary that understanding be had between the city and other owners of Verdugo Canyon water as to the equitable division of the surface waters and as to participation in the cost of the development works proposed and division of the water developed. He also called attention to the city's problem in financing the cost of such works which will approximately be $100,000. He requested authority to enter into a negotiation with several parties interested in the effort to arrive at a mutual understanding in the matter and that the city attorney be authorized to assist in such negotiations. He further recommended that Consulting Engineer H. B. Lynch be instructed to prepare plans and specifications for pipe lines, etc. On motion the recommendation of the city manager was adopted and authorized to prepare for publication a statement in regard to the city's plans.

Pole Contract

On motion of Trustee Robinson, the president of the board and the city clerk were instructed to sign agreement with the Edison company in regard to the division of the ownership of certain poles used jointly by the company and the city.

Improvement Dayton Court

On motion of Trustee Bartlett, Resolution No. 1179 was adopted on roll call, all voting aye:

"Resolution of the Board of Trustees of the city of Glendale ordering certain improvements to be made on Dayton Court and certain streets intersecting therewith in the city of Glendale."

On motion of Trustee Lapham, Resolution No. 1180 was adopted, all voting aye:

"A resolution of the Board of Trustees of the city of Glendale calling a special election to be held on the 26th day of April, 1921, in that certain territory contained within the boundaries of proposed Municipal Improvement District No. 4 of said city, providing for submitting to the qualified electors of said district the proposition of incurring a debt by issuance of bonds of such district for the purpose of acquiring and constructing works for distributing and supplying water."

For Issuance of Bonds

Trustee Robinson presented an ordinance which was read and ordered to be laid over providing for the issuance of bonds of the city of Glendale in which the sum of $100,000 "for the acquisition, construction and completion of certain municipal improvements in connection with waterworks system of the city of Glendale."

Bonds for District No. 3

On motion of Trustee Henry an ordinance previously presented to the board was adopted all voting aye as Ordinance No. 437.

"An ordinance of the city of Glendale providing for the issuance of $50,000 bonds of Municipal Improvement District No. 3," etc.

City Attorney Report

The city attorney reported that the Midway Gas company has applied to the railroad commission for permission to increase its rates.

Legal Opinion of Bonds

On motion of Trustee Bartlett it was ordered that the $100,000 bond issue authorized by the voters on March 29, 1921, be submitted to Attorney J. C. Thomson of New York City for his legal opinion.

Adjourned.

Notice Inviting Sealed Proposals

Pursuant to the provisions of the Improvement Act of 1911, and Resolution No. 1179 of the Board of Trustees of the City of Glendale, California, adopted the 7th day of April, 1921, directing this notice, the undersigned invites and will receive at his office in the City Hall up to 7:30 p. m., of Thursday, the 21st day of April, 1921, sealed proposals or bids for the following improvement to be done according to plans and specifications adopted for said work, posted and on file, to-wit:

First: That Dayton Court between the southerly curb line of California Avenue and the northerly curb line of Wilson Avenue; including all intersections of streets or alleys except those portions as are already graded to the official line and grade, be graded to the official grade heretofore established therefor, the same to be done in accordance with plans and cross-sections No. 398, Profile No. 734 and Specifications for said work adopted by Resolution No. 1157 of the Board of Trustees of the City of Glendale and known as Specifications No. 34.

Second: That a cement sidewalk of the width of four (4) feet be constructed along each side of Dayton Court from the southerly curb line of California Avenue to the northerly curb line of Wilson Avenue, except where sidewalk is already constructed to the official line and grade. Said work to be done in accordance with plans and cross-sections No. 398, Profile No. 734 and Specifications for said work adopted by Resolution No. 1157 of the Board of Trustees of the City of Glendale and known as Specifications No. 31.

Third: That a cement curb of the class designated as Class "B" in the hereinafter referred to Specifications (except said curbs shall have a depth of twelve (12) inches) be constructed along each side of the roadway of Dayton Court from the southerly curb line of California Avenue to the northerly curb line of Wilson Avenue, including all returns at all intersecting streets or alleys, except where said curbs have already been constructed to the official lines and grade. Said curbs shall be constructed in accordance with plans and cross-sections No. 398, Profile No. 734 and in accordance with Specifications for said work adopted by Resolution No. 1157 of the Board of Trustees of the City of Glendale and known as Specifications No. 31.

Fourth: That all of the roadway of Dayton Court between the curb lines from the southerly curb line of California Avenue to the northerly curb line of Wilson Avenue, including all intersections of streets and alleys be oiled and surfaced in accordance with plans and cross-sections No. 398, Profile No. 734 and Specifications for said work adopted by Resolution No. 1157 of the Board of Trustees of the City of Glendale and known as Specifications No. 34.

SECTION 2. That said contemplated work or improvement in the opinion of said Board of Trustees is of more than local or ordinary public benefit and will affect and benefit the lands and district hereinafter described and said Board of Trustees hereby declares that the district in said City of Glendale benefited by said work or improvement and to be assessed to pay the costs and expenses thereof is all that portion of said City included within the following exterior boundary lines, to-wit:

Beginning at a point on the northerly line of Lot 2 of the Byram Tract as per Map recorded in Book 12, Page 46 of Maps, records of Los Angeles County, California, said point being one hundred and seventy-eight hundredths (100.78) feet west of the westerly line of Dayton Court; thence southerly and parallel to the westerly line of Dayton Court distant one hundred and seventy-eight hundredths (100.78) feet westerly therefrom across Lots 2, 4, 6, 8 and 10, of said Byram Tract to the northwesterly corner of Lot 32, Block 3 of the Town of Glendale as per map recorded in Book 21, Pages 89 and 90, Miscellaneous Records of Los Angeles County, California; thence southwesterly along the westerly lines of Lots 32, 31 and 30, Block 3, of said Town of Glendale to the southwesterly corner of said Lot 30; thence southerly in a direct line across an alley to the northwesterly corner of Lot 29, Block 3 of said Town of Glendale; thence southerly along the westerly line of Lots 29, 28 and 27, Block 3, of said Town of Glendale to the northerly line of Wilson Avenue; thence easterly along the northerly line of Wilson Avenue to the northwesterly corner of Dayton Court and Wilson Avenue; thence easterly in a direct line across Dayton Court to the northeasterly corner of Dayton Court and Wilson Avenue; thence easterly along the northerly line of Wilson Avenue to the northwesterly corner of Wilson Avenue and Cedar Street; thence northerly along the westerly line of Cedar Street to the southwesterly corner of Cedar Street and California Avenue; thence westerly along the southerly line of California Avenue to the southeasterly corner of California Avenue and Dayton Court; thence westerly in a direct line across Dayton Court to the southwesterly corner of Dayton Court and California Avenue; thence westerly along the southerly line of California Avenue to the point of beginning, excepting therefrom any portion of any public street or alley which may be included in the above described district. Reference is hereby made to Map No. 385 in which the assessment district referred to is shown within red colored border lines.

SECTION 3. The Board of Trustees of the City of Glendale determines that serial bonds shall be issued to represent assessments of Twenty-five ($25.00) Dollars or over for the costs of said work or improvement; said serial bonds shall extend over a period ending nine (9) years from and after the second day of January next succeeding the date of said bonds, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January, every year after their date until the whole is paid; and the interest shall be payable semi-annually by coupon on the second days of January and July, respectively, of each year at the rate of seven per cent per annum on all sums unpaid until the whole of said principal and interest is paid.

All of the herein proposed work shall be done in pursuance of an act of the Legislature of the State of California, designated as the "Improvement Act of 1911," approved April 7, 1911, and the amendments thereto.

Reference is hereby made to Resolution of Intention No. 1177 for further particulars of said work.

Bidders must file with each proposal or bid, a check payable to the City of Glendale certified by a responsible bank, for an amount which shall not be less than ten per cent of the aggregate of the proposal or a bond for said amount and so payable, signed by the bidder and two sureties, who shall justify before any officer competent to administer oaths, for double the said amount and over and above all statutory exemptions.

In bidding use blanks which will be furnished by the City Clerk upon application.

Dated April 7th, 1921.
